ASSIGNMENT OF PATENTS

WHEREAS, Barry Grant, Inc. (the "Borrower") or Barry Steven Grant (the "Guarantor"), as applicable, is the owner of the entire right, title and interest in and to the Patents (as defined below); and

WHEREAS, the Borrower is indebted to High Performance Industries, Inc. (the "Lender") as assignee of Branch Banking & Trust Company ("BB&T"), which holds security interests in the Borrower's and the Guarantor's property, including the Patents pursuant to, among other things, a Patent and Trademark Security Agreement by and among BB&T, the Borrower, and the Guarantor dated as of December 23, 2008, recorded at 022162/0214 with the U.S. Patent & Trademark Office;

WHEREAS, the Borrower is currently in default of its obligations to the Lender pursuant to the terms of a Universal Note and Security Agreement of Borrower in favor of Main Street Bank (as predecessor to BB&T) ("Main Street") dated February 21, 2006, a Loan Agreement between the Borrower and Main Street dated February 21, 2006, a Promissory Note of the Borrower in favor of BB&T dated June 25, 2007, a Loan Agreement between the Borrower and BB&T dated June 25, 2007, a Promissory Note of Borrower and Barry S. Grant (the "Guarantor") in favor of BB&T dated December 23, 2008 and a Loan Agreement dated December 23, 2008 between the Borrower, BB&T, and the Guarantor (as amended, modified, or supplemented from time to time, the "Loan Documents");

WHEREAS, the Lender is entitled to exercise its remedies under the Loan Documents and applicable law, including a disposition by public sale of all or part of the Lender's collateral pursuant to Sections 9-610, 9-617, and other applicable sections of the Uniform Commercial Code as presently enacted in the State of Georgia (including, to the extent applicable, the Uniform Commercial Code as enacted in any other state) (the "Code"), with the proceeds of such sale to be applied as required by the Code;

WHEREAS, as set forth in the Auctioneer's Affidavit of Public Auction attached hereto as Exhibit 1, at a public sale on July 6, 2011, the Lender submitted a bid constituting the highest and best bid for, and acquired for itself and its successors and assigns, all right, title and interest of the Lender, the Borrower, and the Guarantor in the Patents (as defined below) and substantially all other operating assets of the Borrower;

NOW THEREFORE, in consideration of the foregoing, the Lender, through the public sale, has acquired for itself and its successors and assigns the entire right, title, and interest in and to all patents and patent applications, including without limitation those listed on Schedule A hereto, and any continuation, divisional, continuations-in-part, reissues, extensions, re-examinations or substitutions relating thereto, and any foreign applications based in whole thereon or claiming the benefit thereof; and any United States or foreign patents issued on any of the foregoing; all file histories and physical and electronic documentation, including, without limitation, all invention disclosures, prosecution papers, notes, drawings, reports, flow charts, instructions, manuals, notebooks and memoranda, that directly relate to such patents or patent applications (the foregoing, collectively, the "Patents"), the same to be held and enjoyed by the Lender for its own use and enjoyment, and for the use and enjoyment of its successors, assigns or

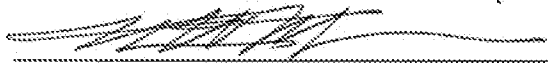

other legal representatives, to the end of the term or terms for which said patents are or may be granted or reissued, as fully and entirely as the same would have been held and enjoyed by the Debtor or the Guarantor, as applicable, if this assignment and sale had not been made; together with all rights, credits, judgments, choses in action, rights of set-off and any and all other claims of every type and nature of, for or arising from or relating to past, present or future infringement or claims for royalties, and any and all other rights to enforce or protect any rights constituting or relating to any of the Patents, claims for damages by reason of past, present or future infringement of said patents or for past, present or future royalties or other compensation for such use, with the right to sue for such damages, and collect the same for its own use and enjoyment, and for the use and enjoyment of its successors, assigns or other legal representatives;

AND, the Lender does hereby authorize and request competent authorities to issue any Letters Patent as shall be granted upon said patent applications to itself and its successors and assigns.

[The remainder of this page is intentionally left blank.]

IN WITNESS WHEREOF, the Lender has caused this instrument to be executed by its duly authorized officer this 6th day of July, 2011.

EXHIBIT 1 TO THE ASSIGNMENT OF PATENTS

AUCTIONEER'S AFFIDAVIT

AUCTIONEER'S AFFIDAVIT OF PUBLIC AUCTION

Commonwealth of Massachusetts
Suffolk, ss

July 6, 2011

Michael Saperstein, being duly sworn, says that he is the Executive Vice President of Paul E. Saperstein Co., Inc., a firm engaged in the business of conducting auctions, including foreclosure sales, and which has provided such services since 1963 to banks, corporations, court-appointed trustees and receivers, local governments, and state and federal agencies. Paul E. Saperstein Co., Inc. conducts personal property auctions and appraisals nationwide.

The undersigned says that he was engaged by High Performance Industries, Inc. ("Lender") to conduct the public auction of certain assets of Barry Grant, Inc. ("Debtor") and Barry Steven Grant ("Guarantor"). Prior to said sale, in order to promote competitive bidding, Paul E. Saperstein Co., Inc. placed advertisements in the *Atlanta Journal-Constitution* on June 26, 2011, the *Charlotte Observer* on June 26, 2011, and the *Boston Globe* on June 26, 2011 and July 3, 2011. A true and accurate copy of the text of the advertisements, which were published on the above dates, is attached hereto as Exhibit B. In addition, prior to said sale, the undersigned posted an advertisement for the sale on the website of Paul E. Saperstein Co., Inc. at www.pesco.com. Employees at Paul E. Saperstein Co., Inc. were available to respond to telephone inquiries from prospective bidders.

The undersigned acted as auctioneer at the public auction and sold the said assets, which consisted of all of Debtor and Guarantor's right, title and interest as of the time of sale in the patents and patent applications, trademarks and trademark applications, goods, inventory, equipment, goodwill, general intangibles, and other property described on the Notice of Public Sale attached hereto as Exhibit A and listed on the schedules attached thereto (collectively, the "Assets").

The auction occurred at the time and place of sale mentioned in Notice of Public Sale and in the advertisements described below, on July 6, 2011 at 10:00 A.M. (Boston time) at the offices of Ropes & Gray LLP, Prudential Tower, 800 Boylston Street, Boston, MA 02199.

Lender was the sole bidder in attendance at the auction and submitted a bid constituting the highest and best bid for the Assets.

The undersigned further says that the auction was conducted fairly, honestly, and according to law, to the best of his knowledge and belief.

Subscribed and sworn to this 6th day of July, 2011

Michael Saperstein

Then personally appeared the above-named Michael Saperstein and made oath that the foregoing affidavit by him subscribed is true, before me.
