PATENTAtty Docket No.: 1406/709 DESASSIGNMENT

WHEREAS, I, Angelika Koschany, of Munich, Germany (hereinafter "Assignor"), have invented a new, original, and ornamental design for a RESPIRATION MASK PADIFLOW, for which application for a U.S. Design Patent was made on May 5, 2011 as Serial No. 29/391,229 and which claims the benefit of and priority to European Community design patent No. 001243489 filed November 5, 2010.

AND, WHEREAS, medin Medical Innovations GmbH, a corporation duly organized and existing under the laws of Germany, having its principal office and place of business at Lindberghstrasse 1, 82178 Puchheim, Germany (hereinafter "Assignee"), is desirous of acquiring an interest therein.

NOW, THEREFORE, To Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor has sold and by these presents does hereby sell, assign, transfer and convey unto Assignee, its successors and assigns, her entire right, title and interest in and to the said invention and application, and in and to any and all foreign patent applications filed on the invention, and in and to any and all continuations, continuations-in-part, or divisions thereof, and in and to any and all Patents of the United States of America and all foreign countries or reissues thereof which may be granted therefor or thereon, for the full end of the term for which a Patent may be granted, together with her right to claim the priority of said application in all foreign countries in accordance with the International Convention, the same to be held and enjoyed by Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment and sale had not been made.

Assignor hereby requests that said Design Patent be issued in accordance with this assignment.

PATENT

REEL: 026603 FRAME: 0323

Atty. Docket No.: 1406/709 DES

Assignor further covenants and agrees that, at the time of the execution and delivery of these presents, Assignor possesses full title to the invention and application above-mentioned, and that Assignor has the unencumbered right and authority to make this assignment.

Assignor further covenants and agrees, and likewise bind her heirs, legal representatives and assigns, to promptly communicate to Assignee or its representatives any facts known relating to said invention, to testify in any interference or legal proceedings involving said invention, to execute any additional papers which may be requested to confirm the right of the Assignee, its representatives, successors and assigns to secure patent or similar protection for the said invention in all countries and to vest in the Assignee complete title to the said invention and Design Patent, without further compensation, but at the expense of Assignee, its successors, assigns and other legal representatives.

Executed this 11th day of May, 2011.
