Exhibit B

Assignment

The undersigned, hereinafter referred to as Assignor, is the owner of all right, title and interest in and to various inventions, including, but not limited to, the inventions set forth in and covered by the following patents and applications:

U.S. Patent No. 5,735,277;

U.S. Patent No. 6,510,334;

European Patent EP 1,074,229; and

International Patent Application PCT/EP2010/061630.

Biomet Manufacturing Corporation, hereinafter referred to as Assignee, is desirous of acquiring Assignor's interest therein:

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, Assignor by these presents does sell, assign and transfer unto Assignee and its successors in interest, the full and exclusive right, title and interest in the United States of America and all foreign countries, including the right to claim priority under the laws of the United States, the Paris Convention, and any foreign countries, including the right to claim priority under the laws of the United States, the Paris Convention, and any foreign countries, to the invention as described in said Patent to be held and enjoyed by Assignee to the full term for which said Patent has been granted, including any extensions thereof, as fully and entirely as the same would have been held by Assignor had this assignment and sale not been made, including the right to recover for past infringement of any of rights relating to said Patent;

Assignor hereby covenants and agrees to execute all instruments or documents required or requested for the making and prosecution of any patent applications of any type in the United States and in all foreign countries including, but not limited to, any provisional, continuation, continuation-in-part, divisional, reissue, reexamination, extension, renewal or substitute thereof, for litigation regarding, or for the purpose of protecting title to, said invention or said Patent, and to testify in support thereof for the benefit of Assignee; and

Assignor hereby covenants that no assignment, sale or agreement or encumbrance has been or will be entered into which would conflict with this Assignment.
