ASSIGNMENT OF PATENTS AND PATENT APPLICATIONS

WHEREAS, Ajay Sudan, of 171 Bryant St., Apt F, Palo Alto, CA 94301 ("Assignor") is a co-owner of certain inventions which are disclosed in the patent application identified as U.S. Patent No. 7,114,077; and

WHEREAS, Vaultus, Inc., a Delaware corporation ("Assignee") desires to acquire the entire, exclusive right, title and interest in and to said inventions and any and all patents to be obtained therefore:

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor does hereby assign, sell and transfer unto Assignee, its successors and assigns, the entire, exclusive right, title and interest in and to U.S. Patent No. 7,114,077, and any inventions disclosed in said patent, in any form or embodiment thereof; and in and to any and all applications filed in any country based thereon, including the right to file applications in countries other than the country of priority filing under the provisions of any international convention; also in and to any and all improvements on said inventions now or hereafter made by employees, agents or contractors of Assignee, also the entire, exclusive, right, title and interest in and to any and all patents, including reissues and extensions thereof, to be obtained in any country upon said inventions or improvements; and any and all continuing applications, including divisional, continuation and continuation-in-part applications, substitute applications, and applications claiming benefit of an earlier filed provisional application, which may be filed upon said inventions or improvements in any country; together with the right to sue and recover for, and the right to profits or damages due or accrued arising out of or in connection with, any and all past, present or future infringements of said patent applications (and any patent(s) issuing thereon); and

Assignor further agrees, without any payment by Assignee other than in reimbursement of reasonable expenses Assignor may incur, to communicate to Assignor, its representatives and agents, any facts relating to said inventions or improvements, including evidence for purposes of interference, opposition or other legal proceedings, whenever requested; to testify in any interference, opposition or other legal proceedings, whenever requested; and to execute and deliver, on request, all lawful papers required to make any of the foregoing provisions effective.

IN WITNESS WHEREOF, Ajay Sudan ~~by its duly authorized officer~~ has executed this assignment as an instrument under seal effective as of the 3rd day of September, 2009.
