ASSIGNMENT

WHEREAS, we, **Mark L. Middleman**, a citizen of the United States residing at 605 Contour Drive, San Antonio, TX 78212, **James D. Benner, Jr.**, a citizen of the United States residing at 19315 Strauss, San Antonio, TX 78256, and **William B. Putty**, a citizen of the United States residing at 10807 Bar-X Trail, Helotes, TX 78023 (collectively, the "**Assignors**"), have invented certain new and useful improvements in the invention entitled **BEVERAGE FLAVORING APPLICATOR** for which we have executed a U.S. Patent Application having Serial No. 13/106,749 filed on May 12, 2011 and a PCT international patent application having application number PCT/US2011/036541 filed May 13, 2011; and

WHEREAS, **Shinie Hinie LLC** ("**Assignee**"), a Texas limited liability company having its main place of business at 9631 McCullough Ave., San Antonio, TX 78216, is entitled, by virtue of a prior agreement between the parties, to a complete and absolute assignment of the entire right, title and interest in, to and under the said invention and said patent applications;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, we, the above named Assignors, have sold, assigned and transferred, and do hereby assign and transfer unto the said Assignee, its successors, legal representatives and assigns, our entire right, title and interest in, to and under the said invention, and the said patent applications, and all patent applications claiming priority to the same, and all divisionals, renewals, continuations, and continuations-in-part thereof, and all rights to priority based thereon, and all Letters Patent of the United States which may be granted thereon and all reissues, reexaminations, and extensions thereof, and all applications for Letters Patent which have been or may hereafter be filed for said invention in any country or countries foreign to the United States, and all Letters Patent which may be granted for said invention in any country or countries foreign to the United States and all extensions, renewals and reissues thereof; and we hereby authorize and request the Commissioner of Patents of the United States, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patent for said improvements to said Assignee, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

Job

WE HEREBY covenant that we have full right to convey the entire interest herein assigned, and that we have not executed, and will not execute, any agreement in conflict herewith.

WE HEREBY further covenant and agree that we will communicate to said Assignee, its successors, legal representatives and assigns, any facts known to us respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths, and generally do everything possible to aid said Assignee, its successors, legal representatives and assigns, to obtain and enforce proper patent protection for said invention in all countries.
