**Patent Assignment *Nunc pro Tunc***

WHEREAS, V&M Tube-Alloy, LLC, a Delaware limited liability company, (“*Assignor*”), having an address at 14333 Sommermeyer, Houston, Texas 77041, is the owner of the patents set forth on Exhibit A, attached hereto at page 3 (hereinafter the “*Patents*”);

WHEREAS, VAM USA, LLC, a Delaware limited liability company, (“*Assignee*”), having an address at 19210 E. Hardy Road, Houston, Texas 77073 acquired from Assignor by agreement all rights, title and interest in and to said Patents effective February 1, 2009 but in a form not suitable for recordation; and

WHEREAS, Assignor and Assignee now desire that the February 1, 2009 agreement relating to the assignment and transfer of ownership of said Patents from Assignor to Assignee be formalized and placed into a form suitable for recordation and thereafter made of record in the United States Patent and Trademark Office.

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, Assignor agrees and confirms that Assignor assigns unto Assignee *nunc pro tunc* effective as of February 1, 2009, all rights, title and interest in and to the Patents throughout the world, together with all continuations, divisionals or the like thereof and whether based the laws of the United States or the laws of the foreign jurisdictions, and the right (but not the obligation) to assert such patents and other assigned rights to collect for all past, present and future infringements, and claims for damages and the proceeds thereof, including, without limitation, license royalties and proceeds of infringement suits and all rights corresponding thereto throughout the world by reason of any past and future acts of infringement that have occurred or may occur.

In testimony hereof, Assignor, as represented by one of its officers, has signed this instrument this 20th day of June 2011.
