ASSIGNMENT

For valuable consideration of 1 (one) US dollar, we, Yu BAGGER of Grøndalsvænge 4, 3460 Birkerød, Denmark, and Ellen Marie STRAARUP of Ferskengangen 11, Bistrup, 3460 Birkerød, Denmark, hereby assign to:

Santaris Pharma A/S

a corporation of Denmark having a place of business at:

Kogle Allé 6  
2970 Hørsholm  
Denmark

and its successors and assigns (collectively hereinafter called "the Assignee"), the entire right and title and interest throughout the world to the inventions which are subject to the United States Patent Application 61/141,848 entitled "*USE OF LNA APOB ANTISENSE OLIGOMERS FOR THE TREATMENT OF ACUTE CORONARY SYNDROMES*", filed on December 31, 2008, this assignment including said application, any and all patents, patent applications, utility models, and design registrations granted for any of said inventions or improvements, and the right to claim priority based on the filing date of said application under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and we authorize the Assignee to apply in all countries in our name or in its own name for patents, utility models, design registrations and like rights of exclusion and for inventors' certificates for said inventions and improvements; and we agree for ourselves and our respective heirs, legal representatives and assigns, without further compensation to perform such lawful acts and to sign such further applications, assignments, Preliminary Statements and other lawful documents as the Assignee may reasonably request to effectuate fully this assignment.

Furthermore, we hereby agree to execute without additional compensation the legal documents, such as assignments, declarations, Power of Attorneys and the like that are required for Santaris Pharma A/S or its successors to seek and maintain the above patent rights derived from, or claiming priority from 61/141,848.

Furthermore, on the request of Santaris Pharma A/S or its successor in title, we hereby agree to assist in technical and scientific aspects of prosecution and post-grant proceedings to the extent that the request is not contradictory to prior obligations to third parties.
