## ASSIGNMENT

WHEREAS, we, the undersigned, Fernando BANUS GARCIA, of Barcelona, SPAIN E-08228, and Francisco ROLDAN CAZORLA, of Barcelona, SPAIN E-08228, have invented a certain new and useful invention entitled CONTROL DEVICE FOR A POWER UNIT; and

WHEREAS, AIGELTEC INGENIERIA, S.L., a corporation of Spain, having a place of business at Ctra. De Rubi, 288F, Terrassa, Barcelona, SPAIN E-08228 (hereinafter referred to as "Assignee"), is desirous of acquiring the entire right, title and interest in and to said invention and any and all Letters Patent of the United States and Letters Patent in any and all foreign countries which may be obtained therefor;

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, we do hereby sell, assign, transfer and set over unto the said Assignee, its legal representatives, successors and assigns, the entire right, title and interest in and to said invention, as described in the patent application filed in the United States Patent and Trademark Office on February 26, 2009, given Serial No. 12/439,087, and entitled CONTROL DEVICE FOR A POWER UNIT, and in and to all patents of the United States and in any and all foreign countries which may be issued for said invention, and in and to all patent applications, continuations, continuations-in-part, divisionals, reexaminations and reissues of said invention as described in the above-mentioned application in the United States and in any and all foreign countries, as fully and completely as the same would have been held by us had this Assignment and sale not been made, together with all claims for damages by reason of past infringement with the right to sue for and collect the same and obtain all other possible remedies for its own use and enjoyment and for the use and enjoyment of its successors, assigns or other legal representatives. The said entire right, title and interest shall vest irrevocably in said Assignee.

We further agree upon request, without additional compensation but at no expense to ourselves, to execute or assent to foreign applications, and to execute all other legal documents

as may be necessary or desirable to vest the enjoyment of the entire right, title and interest hereby transferred in said Assignee, its legal representatives, successors and assigns, or as the said company may direct.

We hereby request the Commissioner of Patents and Trademarks to issue any Letters Patent of the United States which may be issued for said invention to the said Assignee, its legal representatives, successors and assigns, as the sole owner of the entire right, title and interest in and to said patents and inventions covered thereby.
