ASSIGNMENT OF PATENT APPLICATION

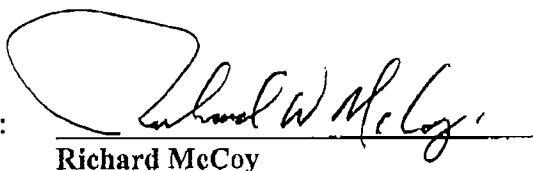

Whereas, we, Richard McCoy, having an address at 51159 Deer Path Drive, Granger, IN 46530, Eric Stanifer, having an address at 14267 Old Pine Lane, Mishawaka, IN 46545, and Newly Mach, having an address at 322 Tenth St. South Bend IN, hereinafter referred to as "Assignors," have invented, a new and useful invention, for which a U.S. Utility Patent Application is filed herewith having Attorney Docket No. 18801-Pending and titled "Fifth Wheel Hitch Retention System"; Provisional Patent Application filed on July 26, 2010, having Attorney Docket No. 18801-00960 and Application Serial No. 61/367,702; and any subsequent applications filed in connection with the above invention (the "Patent").

Whereas, Cequent Performance Products, Inc., a Delaware Corporation, having its principal place of business at 47912 Halyard Drive, Suite 100, Plymouth, MI 48170, hereinafter referred to as "Assignee," is desirous of acquiring the entire right, title and interest in and to said Patent;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, we, the Assignors, by these present do sell, assign and transfer unto Assignee, its successors and assigns, the full and exclusive right to the Patent and all letters patent of foreign countries which may be or have been issued on the invention disclosed in the Patent, all divisions, reissues, extensions, re-examinations, and continuations thereof, and all inventions disclosed therein, together with all claims for damages by reason of past or future infringement, with the right to sue for and collect the same for the use and benefit of Assignee and its successors and assigns.

Assignors warrant that they are the exclusive owner of the entire legal and equitable interest in the Patent and the invention disclosed therein, free and clear of all liens and encumbrances; and that they have the full power, authority, and capacity to make this Assignment to Assignee.

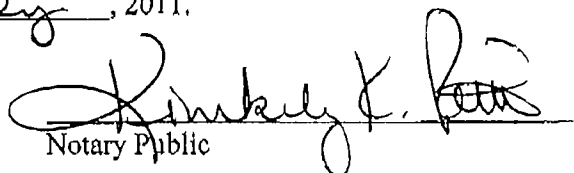

Assignors covenant and agree for themselves and for their successors and assigns that, at Assignee's request, Assignors will cause to be executed and delivered any applications, affidavits, assignments, and other instruments as may be deemed necessary or desirable by Assignee to secure for or vest in Assignee, its successors or assigns, all right, title, and interest in and to any application, patent, or other right or property covered by this assignment, including the right to apply for and obtain patents in foreign countries under the provisions of the International Convention; and Assignors hereby request and authorize the United States Commissioner of Patents and Trademarks to issue any and all United States patents granted on the Patent to Assignee as owner of the entire right, title, and interest in and to the same, and authorizes appropriately empowered officials of foreign countries to issue any letters patent granted on the Patent to Assignee as owner of the entire right, title, and interest in and to the same.
