**ASSIGNMENT**

WHEREAS, We, Avinash S. Kashyap, residing at 1410 London Square Drive, Clifton Park, New York 12065; and H. Alan Mantooth, residing at 6430 Wheeler Road, Fayetteville, Arkansas 72704 ("Assignors"), have invented certain new and useful improvements disclosed in a U.S. nonprovisional patent application entitled "Method for Modeling and Parameter Extraction of LDMOS Devices," serial no. 13/134,012, filed on May 26, 2011; and

WHEREAS, the Board of Trustees of the University of Arkansas (hereinafter, together with any successors, legal representatives or assigns, called "Assignee"), a public body politic and corporate, duly established under and pursuant to the laws and Constitution of the State of Arkansas, and having an office and place of business at the University of Arkansas, 2404 North University Avenue, Little Rock, Arkansas 72207-3608, is desirous of acquiring the entire right, title and interest in and to said improvements, in said application, and in any Letters Patent or Patents, United States or foreign, to be obtained thereon;

NOW, THEREFORE, pursuant to the University of Arkansas Patent and Copyright Policy, Board Policy 210.1, the provisions of which are incorporated herein by reference, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, We, the said Assignors, have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over unto the said Assignee, the entire right, title and interest in and to said improvements, said U.S. nonprovisional application, all applications for Letters Patent or Patents heretofore or hereafter filed for said improvements in the U.S. or any foreign country (including related rights such as utility model registrations, inventor's certificates and the like), and all Letters Patent or Patents in the United States of America and all foreign countries which may be granted thereon, and in and to all conversions, substitutions, divisions, continuations and continuations-in-part of said U.S. or foreign applications, or renewals, extensions, reissues or re-examinations of said Letters Patent or Patents, and all rights under the International Convention for the Protection of Industrial Property, including all rights to claim priority; and

The said Assignors hereby covenant that has full right to convey the entire interest herein assigned and that no assignment, sale, agreement or encumbrance has been or will be entered into which would conflict with this assignment; and

The said Assignors hereby covenant and agree that the said Assignors will communicate to said Assignee any fact known to said Assignors respecting said improvements, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and

defense of Letters Patent or Patents for said improvements, without further consideration from said Assignee, but at the cost and expense of said Assignee; and

The said Assignors hereby request the Director of the U.S. Patent and Trademark Office, and any officials of foreign countries whose duty it is to issue patents on applications as aforesaid, to issue said Letters Patent to said Assignee.

SIGNED this 12 day of <sup>July</sup>~~June~~, 2011.
