ASSIGNMENT

In accordance with our obligations under an Employee Innovation and Proprietary Information Agreement or (as applicable) arising out of other agreements (such as, but not limited to, the Services Agreement between the General Electric Company, a New York Corporation, and my employer), and/or for other good and valuable consideration of which we acknowledge receipt, we,

Nicholas P. Gette

Of Houston, TX

Carl Boehm, Jr.

Of Houston, TX

hereby sell and assign to **Vetco Gray Inc.**, a Delaware Corporation, (hereinafter referred to as Assignee) having an address at 4424 West Sam Houston Parkway North, Suite 100, Houston, TX 77041, USA, its successors and assigns our entire respective rights, titles and interests in and to the invention and improvements invented and originated by us and described in the application for United States Patent currently entitled:

SEAL WITH ENHANCED NOSE RING

— executed concurrently herewith, or

filed on April 15, 2011, having Serial Number 13/088,087.

and any and all applications for patent and patents therefrom in any and all countries, including all divisions, continuations, reexaminations and reissues thereof, and all rights of priority resulting from the filing of said United States application, and authorize and request any official whose duty it is to issue patents, to issue any patent on said inventions and improvements resulting therefrom to said Assignee, or its successors or assigns and agree that on request and without further consideration, but at the expense of said Assignee, we will communicate to said Assignee or its representatives or nominees any facts known to us respecting said inventions and improvements and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, reexamination and reissue applications, make all rightful oaths and generally do everything possible to aid said Assignee, its successors, assigns, and nominees to obtain and enforce proper patent protection for said invention and its improvements in all countries.

We authorize and request that any attorney associated with **PTO Customer No. 76859** may insert additional information identifying said United States Patent Application after execution of this agreement;
