A S S I G N M E N T

WHEREAS, I, Timothy Duncan, of Grants Pass, Oregon, have invented a certain invention entitled MEASURING HUMIDITY OR MOISTURE for which U.S. Patent Application No. 13/104,666 was filed May 10, 2011, and Provisional Application No. 61/334,296 was filed May 13, 2010 (both of which applications are referred to herein as the "patent applications"); and

WHEREAS, Construction Technology Laboratories, Inc., a Business Corporation organized under the laws of the State of Illinois, having a place of business at 5400 Old Orchard Road, Skokie, Illinois 60077, desires to acquire an interest therein:

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, I hereby sell, assign and transfer to Construction Technology Laboratories, Inc. the full and exclusive right, title and interest in and to said invention, patent applications and patent rights throughout the world, including foreign patent priority rights, the right to file and prosecute International Applications under the Patent Cooperation Treaty, and the right to file and prosecute applications under the European Patent Convention; said invention, application and letters patent in this or any foreign country, and all divisions, continuations, reissues and extensions thereof, to be held and enjoyed by Construction Technology Laboratories, Inc. for its own use and benefit and for its successors and assigns to the full end of the term for which letters patent may be granted in this or any foreign country, as fully and entirely as the same would have been held by me had this assignment and sale not been made, and covenant that I have full right so to do, and agree that I will communicate to Construction Technology Laboratories, Inc., or its successors and assigns, any facts known to me respecting said invention, and testify in any

legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths, and do everything possible to aid Construction Technology Laboratories, Inc., its successors and assigns to obtain and enforce proper patent protection for said invention in this or any foreign country.

I hereby grant the law firm of Klarquist Sparkman, LLP, the power to insert on this Assignment any further information which may be necessary or desirable in order to comply with all applicable legal requirements, including the rules of the United States Patent and Trademark Office, for submitting and recording this document.

Executed at Rogue River, State of Oregon, this 25 day of July, 2011.

Timothy Duncan
