ASSIGNMENT

WHEREAS, I, Dewan Fazlul Hoque Chowdhury, of 85 Toothill Road, Loughborough, Leicestershire LE11 1PN, United Kingdom, have invented and own a certain invention entitled:

TRANSDERMAL PATCH WITH EXTENSOR MEANS

for which invention I have executed an application (provisional or non-provisional) for a United States patent, which was filed on August 1, 2011, under Application No. 13/195,267, and

WHEREAS, Nemauro Pharma Limited, of Unit 16, Loughborough Innovation Centre, Epinal Way, Loughborough LE11 3EH, United Kingdom (hereinafter referred to as Assignee), a corporation of United Kingdom, is desirous of acquiring the entire domestic and foreign right, title, and interest in and under the invention described in the patent application.

NOW, THEREFORE, for good and valuable considerations, the receipt and sufficiency of which are hereby acknowledged, I assign and transfer to the Assignee and the Assignee's legal representatives, successors and assigns the full and exclusive rights in and to the invention in the United States and every foreign country and the entire right, title, and interest in and to the patent application and other such applications (e.g., provisional applications, non-provisional applications, continuations, continuations-in-part, divisionals, reissues, renewals, and extensions) that may be filed in the United States and every foreign country on the invention, and the patents or extensions thereof, both foreign and domestic, that may issue thereon, and I do hereby authorize and request the Commissioner of Patents and Trademarks to issue United States patents to the above-mentioned Assignee agreeably with the terms of this assignment document.

I HEREBY AUTHORIZE the above-mentioned Assignee to insert in this assignment document the filing date and serial number of the application if the date and number are unavailable at the time this document is executed.

UPON SAID CONSIDERATION, I convey to the Assignee the right to make application in its own behalf for protection of the invention in countries foreign to the United States and to claim under the International Convention and/or other international arrangement for any such application the date of the United States application (or any other application on the invention) to gain priority with respect to other applications.

I DO HEREBY COVENANT and agree with the Assignee that I will not execute any writing or do any act whatsoever conflicting with the terms of this assignment document set forth herein, and that I will at any time upon request, without further or additional consideration, but at the expense of the Assignee, execute such additional assignments and other writings and do such additional acts as the Assignee may deem necessary or desirable to perfect the Assignee's enjoyment of this assignment, and render all necessary assistance in making application for and obtaining original, continuation, continuation-in-part, divisional, reissued, renewal, or extended patents of the United States or of any and all foreign countries on the invention, and in enforcing any rights or choses in action accruing as a result of such applications or patents, and by executing statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of, the assigns and legal representatives of all parties hereto.

In re Appln. of: Dewan Fazlul Hoque Chowdhury
Attorney Docket No.: 508710

IN WITNESS WHEREOF, I have hereunder set my hand this 30th day of
JULY, 2011.

Dewan Fazlul Hoque Chowdhury
