CORRECTED ASSIGNMENT

On or about July 19, 2004, we executed an assignment document in which we purported to assign our entire right, title and interest in and to the invention entitled **RAPID ACTION COATER**; which priority is claimed from International Application No. PCT/US2005/029008 with and International Filing date of August 15, 2005, as described in application U.S. application serial number 11/630,966, filed December 27, 2006, to Fairmount Minerals, Inc.

It has now come to our attention that no legal entity exists by the name of Fairmount Minerals, Inc. and that our earlier assignment incorrectly named the intended assignee. Therefore, this corrected assignment document is being executed to make clear that the specific legal entity to which we intended to assign, and did assign, our invention is Fairmount Minerals, Ltd., a Delaware Corporation. Therefore, we reiterate our assignment as follows:
