## ASSIGNMENT

This Patent Assignment (this "Assignment") is made as of June 27, 2011 (the "Effective Date") by and between Renea Leeann Keish, an individual ("Assignor"), resident of the State of Texas, residing at P.O. Box 1006 Kennedale, TX. and ERMC IV, L.P., a Tennessee limited partnership ("Assignee"), having its principal office and place of business at 6148 Lee Highway, Suite 300, Chattanooga, Tennessee 37421.

WHEREAS, Assignor represents and warrants that she is the sole owner in full possession of the entire right, title, and interest to certain new and useful inventions (the "Invention") and to any and all Letters Patent granted therefor relating to an Airport Bridge and Lift bearing Patent Nos. RE39,063 and 6,658,685 (the "Patent");

WHEREAS, pursuant to that certain Asset Purchase Agreement executed on June 27, 2011, by and between Assignor and Assignee (the "Purchase Agreement"), Assignor desires to assign to Assignee Assignor's right, title, and interest in and to the Invention and the Patent.

NOW, THEREFORE, in consideration of the foregoing premises and the mutual covenants and agreements contained in the Purchase Agreement and this Assignment, along with other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee hereby agree as follows:

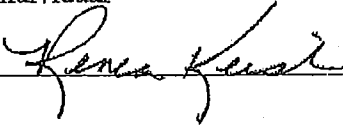

1. Assignor does hereby sell, assign and transfer unto said Assignee, the entire right, title and interest within the United States, its territories and possessions, and all foreign countries, in and to said Invention and any and all granted Letters Patent in the United States, its territories and possessions, and all foreign countries, together with any and all nonprovisionals, continuations, continuations-in-part, divisions, reissues, renewals, reexaminations, substitutes or extensions thereof, and including all rights to claim priority, and Assignors do hereby authorize and request all appropriate domestic and foreign patent or government authorities in foreign countries to issue in accordance with this Assignment any and all Letters Patent that may be granted, either related to the Patent or otherwise for the Invention.
2. Assignor hereby covenants that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this assignment.
3. Assignor further covenants and agrees that it will, at any time upon request, execute and deliver any and all documents that may be necessary or desirable to perfect Assignee's

rights in and to the Invention and the Patent that have been granted or that may be granted on said application or otherwise for said Invention.

IN WITNESS WHEREOF, this Assignment has been executed as of the day and year first written above.
