ASSIGNMENT AND AGREEMENT

For value received, I, Robert Pines of 136 E. 79th St. PH 15A, New York New York 10021, hereby sell, assign and transfer to Grape Technology Group Inc., A Delaware Corporation having a place of business at 3864 Courtney Street, Bethlehem, PA 18017 and their successors, assigns and legal representatives, the entire right, title and interest, for the United States of America, in and to certain inventions related to

SYSTEM AND METHOD FOR GENERATING AND UTILIZING ORGANICALLY GROWN CONTENT IN A DIRECTORY ASSISTANCE ENVIRONMENT

described in U.S. Patent Application No. 12/150,319 for Letters Patent of the United States; all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions, including continuation, divisional and continuation-in-part applications; and we also concurrently hereby sell, assign and transfer to Grape Technology Group the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

I authorize Grape Technology Group to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all

benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Grape Technology Group to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

I request that any and all patents for said inventions be issued to Grape Technology Group in the United States and in all countries foreign to the United States, or to such nominees as Grape Technology Group they may designate.

I agree that, when requested, we shall, without charge to Grape Technology Group, but at its expense, sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.
