ASSIGNMENT BY INVENTORS

This Assignment is by John W. Ludemann; Michael K. Buzon; and Aaron Barker (the "Assignors"), residing at 1850 N Redwood Street, Canby, Oregon 97013; 210 S State Street, No. 9, Lake Oswego, Oregon 97034; and 4747 N Kerby Avenue, Portland, Oregon 97217, respectively. The Assignors have invented one or more certain inventions (the "Invention(s)") described in a Patent application for Letters Patent of the United States entitled FOOTWEAR ASSEMBLIES HAVING REINFORCED INSOLE PORTIONS AND ASSOCIATED METHODS (the "Application"), already filed on May 18, 2011 as U.S. Application No. 13/110,739.

Danner, Inc., a Corporation of Wisconsin having its principal place of business at 17634 NE Airport Way, Portland, Oregon 97230 ("Assignee"), desires to acquire the entire right, title and interest in and to the Invention(s) and the Application, and in and to any patents (collectively, "Patents") that may be granted for the Invention(s) in the United States or in any foreign countries.

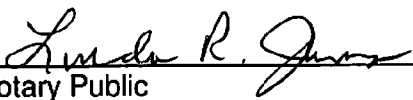

For valuable consideration, the receipt and sufficiency of which Assignors acknowledge, Assignors hereby sell, assign, and transfer to Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to: the Invention(s), the Application, and any Patents; any divisions, continuations, and continuations-in-part of the Application and any other application claiming priority rights from the Application; any reissues, reexaminations, or extensions of any and all Patents; the right to file foreign applications directly in the name of Assignee; and the right to claim priority rights deriving from the Application (collectively, the "Rights"). Assignors warrant that Assignors own the Rights, and that the Rights are unencumbered. Assignors also agree to not sign any writing or do any act conflicting with this assignment, and, without further compensation, sign all documents and do such additional acts as Assignee deems necessary or desirable to: perfect Assignee's enjoyment of the Rights; conduct proceedings regarding the Rights, including any litigation or interference proceedings; or perfect or defend title to the Rights. Assignors request the Commissioner of Patents to issue any Patent of the United States that may be issued on the Invention(s) to Assignee. This Assignment may be executed in counterparts.

Date: 6-16-11

Signature 
John W. Ludemann

United States of America)
State of Oregon) ss.
County of Multnomah)

On this 16th day of June, 2011 before me
