ASSIGNMENT

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, I/we, the undersigned Assignors,

Robert J. Sikorski, 3430 Saratoga Boulevard, Stow, Ohio 44224

Shadruz Daraie, 3012 Chamberlain Road, Fairlawn, Ohio 44333

who have created a certain invention for which an application for United States Letters Patent has been filed on **March 25, 2011 (03/25/2011)** and assigned Ser. No. **13/072,098** and that is entitled **Coupler with Pivoting Front Hook Lock** do hereby sell, assign and transfer to **Paladin Brands Group, Inc.** (hereinafter referred to as Assignee), **a Delaware corporation**, having a principal place of business at 5825 Council Street N.E., Cedar Rapids, Iowa 52402, its successors, assigns, and legal representatives, the full and exclusive right to said invention and said application and to any and all inventions described in said application for the United States, its territorial possessions and all foreign countries, and the entire right, title and interest in and to any and all Letters Patent which may be granted therefor in the United States, its territorial possessions and all foreign countries; and in and to any and all continuations-in-part, continuations, divisions, substitutes, reissues, extensions thereof, and all other applications for Letters Patent relating thereto which have been or shall be filed in the United States, its territorial possessions and/or any foreign countries, and all rights, together with all priority rights, under any of the international conventions, unions, agreements, acts, and treaties, including all future conventions, unions agreements, acts, and treaties;

I/we agree that Assignee may apply for and receive Letters Patent for any and all inventions described in said application in its own name, in the United States, its territorial possessions, and all foreign countries; and that, when requested to carry out in good faith the intent and purpose of this Assignment and without requiring further consideration, I will execute all continuations-in-part, continuations, divisions, substitutes, reissues, extensions thereof, execute all rightful declarations, oaths, assignments, powers of attorney and other papers, testify in any legal or quasi legal proceedings; communicate to Assignee, its successors, assigns or legal representatives all facts known to me relating to said invention and the history thereof; and generally do everything possible which said Assignee, its successors, assigns, or legal representatives shall consider desirable for aiding in securing, maintaining and enforcing proper patent protection for said invention and for vesting title to said invention and all applications for patents on said invention in said Assignee, its successors, assigns, or legal representatives; and

I covenant with Assignee, its successors, assigns, and/or legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein

conveyed has been made to others by me, and that full right to convey the same as herein expressed is possessed by me.

I, therefore, authorize and request that the United States Patent and Trademark Office and all foreign patent offices issue any and all Letters Patent when granted based upon said application solely to said Assignee for its exclusive use and that of its successors and assigns.
