AND WHEREAS Teknion Limited an institution of **1150 Flint Road, Downsview, Ontario M3J 2J5, Canada**, has acquired from me my whole right, title and interest for the United States of America and all other countries in and to the said invention and in and to any Design Patent that may be obtained therefore, and in and to said application,

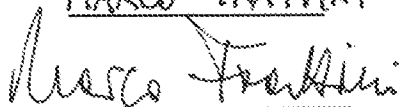

NOW THEREFORE, in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt of all of which is hereby acknowledged, I, **Carl Gustav Magnusson**, by these presents confirm that I have sold, assigned and transferred and do hereby sell, assign and transfer unto the said **Teknion Limited** my full and exclusive right to the said design in the United States of America and all other countries and my entire right, title and interest in and to any and all Design Patent which may be granted therefore, and my entire right, title and interest in and to said application, and in and to any divisions, continuation, continuations-in-part and extensions of said application, together with my right to claim the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property based on said application for United States Design Patent;

I hereby authorize and request the Commissioner of Patents and Trademarks to issue said Design Patent to said **Teknion Limited** the assignee of my entire right, title and interest in and the same, for its sole use and benefit, and for the use and benefit of its successors and assigns, to the full end of the term for which the Design Patent may be granted as fully and entirely as the same would have been held by me had this assignment and sale not been made.
