RELEASE OF PATENT SECURITY INTEREST

(Sloan Transportation Products, Inc.)

This Release of Patent Security Interest is dated as of July 26, 2011. Reference is made to the Security Agreement, dated as of December 21, 2004 (the "Security Agreement"), among Sloan Transportation Products, Inc. (under the former name, BLD Products, Ltd.) (the "Grantor"), the other Persons from time to time party thereto and Antares Capital Corporation, as Agent (the "Agent"), as grantee, as amended by the Omnibus Amendment and Reaffirmation Agreement, dated as of December 23, 2009, among the same parties thereto.

For good and valuable consideration, receipt and sufficiency of which are hereby acknowledged, the Agent hereby irrevocably releases its security interests in and collateral assignment of, and reassigns, grants and conveys to the Grantor without any representation, warranty, recourse or undertaking by the Agent, all of its right, title and interest, if any, in and to:

(i) Each patent, patent registration and patent application, including, without limitation, the inventions and improvements described and claimed therein, all patentable inventions and those patents and patent applications listed on Schedule A hereto, and the reissues, divisions, continuations, renewals, continuations-in-part and extensions of any of the foregoing), and all of the goodwill of the business connected with the use of, and symbolized by, each such patent, patent registration and patent application; and

(ii) All income, royalties, damages, payments and proceeds of the foregoing, including without limitation any claim by the Grantor against third parties for damages by reason of past, present or future infringement of any patent, patent registration and patent application listed on Schedule A hereto or by reason of injury to the goodwill associated with any such patent, patent registration and patent application, in each case together with the right to sue for and collect said damages.

[Signature page immediately follows.]

IN WITNESS WHEREOF, the undersigned has caused this Release of Patent Security Interest to be duly executed by its duly authorized officer as of the day and year first above written.
