The Netherlands

Maarten Hendrik WITVLIET
Wim de Körverstraat 35
5831 AN Boxmeer
The Netherlands

hereby assigns to Assignee, **Intervet International B.V.**, its successors, and assigns, the entire right, title, and interest in the United States and all foreign countries to:

- (1) all patentable subject matter disclosed in:
 - U.S. Patent No. _____,
 - U.S. or International Patent Application No. PCT/EP2007/053420, filed 06 April 2007,
 - or
 - the attached U.S. patent application entitled:

“ Vaccine against mycoplasma and PRRSV ”;

(2) the patent and patent applications themselves, as well as all divisional, continuing, substitute, renewal, reissue, and other patent applications that have been or shall be filed in the United States or any foreign country on the subject matter; and

(3) all original and reissued patents that have been or shall be issued in the United States and any foreign country on the subject matter.

The Assignee may apply for and receive patents in its own name for the subject matter. When requested by the Assignee or its successors or assigns, the undersigned will:

- (1) execute all proper oaths, assignments, powers of attorney, and other papers for this patent or patent application, as well as all other patents and patent applications on the subject matter;
- (2) communicate all factors known to him/her relating to the subject matter and the history of the subject matter; and
- (3) generally do everything possible that the Assignee or its successors assigns considers desirable for aiding in securing and maintaining proper patent protection of the subject matter and for vesting title to Assignee or its successors or assigns.

The undersigned warrants that he/she/they:

- (1) has/have the full right to convey the rights and property described above; and
- (2) has/have not made any assignment, grant, mortgage, license, or other agreement to another affecting such rights and property.
