## PATENT APPLICATION

ASSIGNMENT AND AGREEMENT

For and in consideration of the sum of One Dollar to me in hand paid, and other good and valuable consideration, the receipt of which is hereby acknowledged, I, **Robert Fankhauser, a citizen of Austria, and living in Dobl, Austria**, have sold, assigned and transferred, and do hereby sell, assign and transfer, unto **SSI Schäfer PEEM GmbH**, a corporation of Graz 8051 Austria, and its successors, assigns, and legal representatives, the entire right, title and interest for the United States of America in and to certain inventions relating to improvement in **Apparatus and Method for Inserting Documents in Order-Picking Systems (PCT/EP 2009/009274 and corresponding U.S. Patent Application 13/177994)**, described, illustrated and claimed in an application for Letters Patent of the United States of America executed by me on the date indicated by my signature below, together with the entire right, title and interest in and to said application, and in and to Letters Patent which may be issued upon said application, and upon any division, extension, continuation or reissue thereof.

I hereby also sell, assign and transfer unto the said **SSI Schäfer PEEM GmbH**, the entire right, title and interest in and to said invention and in and to applications for Letters Patent therefor in all countries foreign to the United States of America, including all rights under any and all international conventions and treaties in respect of said invention and said applications for Letters Patent in foreign countries, and I further authorize the said **SSI Schäfer PEEM GmbH** to apply for Letters Patent in foreign countries directly in its own name, and to claim priority of the filing date of the said application for Letters Patent of the United States of America under the provisions of any and all international conventions and treaties.

I hereby authorize and request the Commissioner of Patents of the United States of America to issue Letters Patent upon the aforesaid application, division, extension, continuation or reissue, to the said **SSI Schäfer PEEM GmbH**, for the sole use and on behalf of said **SSI Schäfer PEEM GmbH**, its successors, assigns and legal representatives, to the full end of the term for which said Letters Patent may be granted, the same as they would have been held and enjoyed by me had this assignment not been made, and I hereby authorize and request the equivalent authorities in foreign countries to issue the patents of their respective countries to the said **SSI Schäfer PEEM GmbH**.

Docket No. 4706P156USCON

I agree that, when requested, I will, without charge to said **SSI Schäfer PEEM GmbH**, but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for said inventions in any and all countries and for vesting title thereto in said **SSI Schäfer PEEM GmbH**, its successors, assigns and legal representatives or nominees.

I covenant with said **SSI Schäfer PEEM GmbH**, its successors, assigns and legal representatives, that the interest and property hereby conveyed is free from all prior assignment, grant, mortgage, license or other encumbrance.
