ASSIGNMENT

WHEREAS, Vector Surgical, LLC., a Wisconsin corporation, of 20975 Swenson Drive, Suite 350, Waukesha, Wisconsin 53186 of the United States of America, is the owner of a certain invention entitled "TISSUE MARKING SYSTEM" said application being identified in the United States Patent and Trademark Office by Serial No. 11/749,552, filed May 16, 2007; and

WHEREAS, Michael Phillips of 632 W. Glenview Avenue, Oconomowoc, WI 53066; and Janet Phillips of 632 W. Glenview Avenue, Oconomowoc, WI 53066, of the United States of America (collectively, the "Assignees"), are desirous of acquiring the an undivided share of the entire right, title and interest in and to said invention, said application and in, to and under any and all Letters Patent to be obtained therefor;

NOW, THEREFORE, for good and valuable consideration paid by said Assignees to Vector Surgical ("Assignor") the receipt of which is hereby acknowledged, Assignor has sold, assigned and transferred, and by these presents does hereby sell, assign and transfer unto the said Assignees, their successors and assigns, its entire right, title and interest in and to said invention, said application and the Letters Patent, both foreign and domestic, that may or shall issue, including all of our rights under the Paris Convention, European Convention, Patent Cooperation Treaty and other international treaties.

Assignor does hereby authorize said Assignees, their successors and assigns, or anyone they may properly designate, to apply for Letters Patent, in their own name if desired, in any and all foreign countries, and/or otherwise take advantage of the provisions of the Paris Convention, European Convention, Patent Cooperation Treaty and other international treaties.

Assignors authorize and request the Director of Patents and Trademarks to record Assignees as the owners of the Patents, including any divisions, reissues, reexaminations, extensions, continuations, continuations in part, and any application claiming priority therefrom and to issue any and all Letters Patent of the United States to Assignees for their sole use and enjoyment and that of their successors, assigns or other legal representatives.

Upon said consideration, Assignor does hereby covenant and agree with the said Assignees, their successors and assigns, that it will not execute any writing or do any act whatsoever conflicting with these presents, and that Assignor will at any time upon request, without further or additional consideration, but at the expense of the said Assignees, their successors and assigns, execute such additional writings and do such additional acts as said Assignees, their successors and assigns, may deem necessary or desirable to perfect the Assignees' enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuation, reissued or extended Letters Patent of the United States, or of any and all foreign countries on said invention, and in enforcing any rights, occurring as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents.
