ASSIGNMENT

WHEREAS, I, JOSHUA D. NELSON, a citizen of the United States of America, residing at 1508 W 110 N, Pleasant Grove, Utah 84062 (hereinafter "Assignor"), have invented with my co-inventor, GREGORY C. HAHN, a new and original design for an invention relating to a TRAY INSERT, for which a design patent application for United States Design Patent was filed in the United States Patent and Trademark Office on June 30, 2011 as U.S. Design Patent Application No. 29/396,503; and

WHEREAS, BERWICK OFFRAY LLC, a limited liability company organized and existing under the laws of the State of Pennsylvania and having a principal place of business at 2015 West Front Street, Berwick, Pennsylvania 18603 (hereinafter "Assignee"), is desirous of memorializing acquisition of Assignor's entire right, title and interest in and to said invention, said application and any design patent that may be granted thereon or therefrom;

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, Assignor hereby sells, assigns and sets over to said Assignee the entire right, title and interest in and for the United States of America and all other countries in and to said invention, including the right to claim priority, and the aforesaid applications for patent, all original, divisional, continuation, continuation-in-part, provisional, non-provisional, reexamination, substitute or reissue applications and patents applied for or granted therefor in the United States of America and all other countries, and the Commissioner of Patents and Trademarks is hereby authorized and requested to issue all patents on said application and/or applications resulting therefrom to Assignee, as assignee of the entire interest therein; and the undersigned for him and his legal representatives, heirs and assigns does hereby agree and covenant, without further remuneration, to execute and deliver all non-provisional, divisional, continuation, continuation-in-part, reexamination, reissue and other applications for patent on said invention and all assignments and powers of attorney thereof to said Assignee or its assigns, to communicate to said Assignee or its legal representatives all facts known to the undersigned respecting said invention, to testify in any interferences or other legal proceedings in which any of said applications or patents may become involved, to sign all lawful papers, make all rightful oaths and to do generally everything necessary to aid said Assignee, its successors, assigns and nominees in obtaining patent protection on said invention in all countries, the expenses incident to said applications to be borne and paid by said Assignee.
