# ASSIGNMENT OF PATENT APPLICATION

I the undersigned for good and valuable consideration the receipt of which is expressly acknowledged, by means of this agreement sell, assign, and transfer to:

**Luxi Electronics Corp.**, a corporation organized under laws of the state of California, United States of America (US) ("Assignee"), as Assignee, its successors, assigns, and legal representatives, the entire right, title, and interest, for the United States of America (US), US Territories and Possessions for inventions relating to: **HDMI Connector Assembly System for Field Termination and Factory Assembly**, originally published as US Publication No.: US2011-0021059 A1, and re-titled as **HDMI Locking Connectors**. Described in an application for Letters Patent filed in the United States Patent Office (USPTO), identified as Attorney Docket Number 1020US-3, by Attorney for Assignee, Jonathan A. Claypool, 107 1st Ave. N 405 Seattle, WA, 98109, filed on 07/15/2010, as Application Serial No. 12/836,994 ("Application"), and the invention(s) and improvements(s) set forth in the Application and any and all patents that issue from this application, continuations, continuations in part, divisionals, and renewals of and substitutes for the Application for Letters Patent, and all rights and privileges that may be granted in the U.S., as well as any reissues, or reexaminations or extensions of Letters Patent. We request that any and all Letters Patent for the inventions be issued to the Assignee, its respective successors, assigns, and legal representatives, or to such nominees as each may designate.

I agree that when requested I will without charge to the Assignees, but at their expense, sign all papers, take all oaths or make all declarations, and do all acts which may be necessary for securing and maintaining patents for the inventions in the U.S. for vesting title in the Assignees, their successors, assigns, and legal representatives, and nominees.

I authorize and empower the Assignee and its successors, assigns, and legal representatives, or nominees to invoke and claim for any Application for patent or other form of protection for the inventions filed by it or them, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may be substituted in the future, and to invoke and claim such right without further written or oral authorization from me.

I agree that a copy of this assignment will be deemed a full, legal, and formal equivalent of the assignment. We authorize Jonathan A. Claypool, as Attorney for Assignee, to record the assignment with the USPTO.

I covenant with the Assignees, their respective successors, assigns, and legal representatives, and nominees that the rights and property in this assignment conveyed are free and clear of any encumbrance and that we have full right to convey the rights and property.

IN WITNESS WHEREOF, I have signed my name on the day and year set forth below:
