## PATENT ASSIGNMENT AGREEMENT

THIS PATENT ASSIGNMENT AGREEMENT (the "*Agreement*") is made by and between William Reber, LLC, an Illinois limited liability corporation with offices located at 16619 Camilia Avenue, Tustin, CA 92782 ("*Assignor*"), and ZIH Corp., a Delaware corporation located at Astwood Dickinson Building, 83-85 Front Street, 2<sup>nd</sup> Floor, Hamilton HM 12, Bermuda ("*Assignee*").

### RECITALS

A. Assignor and Assignee are parties to that certain Patent Purchase Agreement dated as of the date hereof (the "*Purchase Agreement*"). Capitalized terms used herein and not otherwise defined shall have the meanings ascribed to them in the Purchase Agreement; and

B. Pursuant to the Purchase Agreement, Assignor has agreed to sell to Assignee, and Assignee has agreed to buy from Assignor, certain patent rights owned or used by Assignor.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee hereby agree as follows:

1. Assignor does hereby sell, assign, transfer, convey, contribute, and deliver to Assignee and its successors, assigns, designees and legal representatives, and Assignee does hereby accept from Assignor, all right, title and interest in and to any and all of the following set forth in Paragraphs 1(a) and 1(b) below, free and clear of all security interests, liens, collateral assignments or other encumbrances, all rights of priority therein in any country as may now or hereafter be granted to Assignor by law, treaty or other international convention, all income, royalties and payments due or payable with respect to all of the following set forth in Paragraphs 1(a) and 1(b) below as well as all rights to sue and recover damages or obtain relief for past, present and future infringements of any and all of the following set forth in Paragraphs 1(a) and 1(b) below and all other corresponding rights that are or may be secured under the laws of the United States or any other country, now or hereafter, the same to be used and enjoyed by Assignee and for the use and enjoyment of its successors, assigns, designees and other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Agreement had not been made:

(a) (i) all inventions, whether or not patentable, and all domestic and foreign patents (including certificates of invention and other patent equivalents), patent applications and patents issuing therefrom identified in **Schedule A** attached hereto as well as all divisionals, continuations, continuations-in-part, reissues, re-examinations, extensions, and renewals of any patent or patent application relating to any of the foregoing, as well as expired patents and abandoned patent applications relating to any of the foregoing, free and clear of any and all debts, liens, claims by or obligations to any person or entity (collectively, the "*Patent Rights*"); (ii) the inventions claimed by Assignor or disclosed in the Patent Rights; and (iii) all foreign

counterparts to the Patent Rights (whether patents or patent applications) (all of the foregoing collectively the "*Assigned Patent Rights*");

(b) all rights, interests, claims, demands and relief recoverable in law or equity, that Assignor had, has or may have for past, present and future infringements of the Assigned Patent Rights, including, without limitation, the right to compromise, sue for and collect such profits and damages.

2. Assignor hereby acknowledges and agrees that Assignee, as owner of the Assigned Patent Rights, may use the Assigned Patent Rights for any lawful purpose without restriction.

3. Without further consideration, Assignor and Assignee shall take all such other action and shall procure or execute, acknowledge, and deliver all such further certificates, conveyance instruments, consents, and other documents as Assignee or its counsel, or Assignor or its counsel, may reasonably request to vest in Assignee, and perfect and protect Assignee's right, title, and interest in, and enjoyment of the Assigned Patent Rights.

4. This Agreement shall be governed by and construed in accordance with the laws of the United States, with respect to patent issues, and in all other respects including as to validity, interpretation and effect by the laws of the State of Delaware, without giving effect to the conflict of laws rules thereof.
