ASSIGNMENT

THIS ASSIGNMENT, made by us, **David Clatterbuck**, citizen of the United States of American, residing at 1705 Westhaven Drive, Raleigh, North Carolina 27607; and **Brian Thomas Collins**, a citizen of the United States of America, residing at 416 Edgepine Drive, Holly Springs, North Carolina 27540;

WITNESSETH: That,

WHEREAS, we are joint inventors of certain new and useful improvements in **GALIUM-SUBSTITUTED YTTRIUM ALUMINUM GARNET PHOSPHOR AND LIGHT EMITTING DEVICES INCLUDING THE SAME** for which U.S. Application No. **13/154,872** was filed on **June 7, 2011** in the United States Patent and Trademark Office; and

WHEREAS, **Cree, Inc.**, a North Carolina corporation having a principal place of business at 4600 Silicon Drive, Durham, County of Durham, State of North Carolina, hereinafter referred to as assignee, is desirous of acquiring the entire right, title and interest in and to said invention as described in said application, and in and to any and all Letters Patent which shall be granted therefor in the United States of America and all foreign countries;

NOW, THEREFORE, To Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we have sold and by these presents do hereby sell, assign, transfer and convey unto the said assignee, its successors and assigns, the entire right, title, and interest in and to the said invention and application, and in and to any and all continuations, continuations-in-part, or divisions thereof, and in and to any and all Letters Patent of the United States of America and all foreign countries or reissues or other forms of protection thereof which may be granted therefor or thereon, for the full end of the term for which said Letters Patent may be granted along with any term extensions thereon or therefor, together with the right to claim the priority of said application in all foreign countries in accordance with the International Convention, the same to be held and enjoyed by said assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by us if this assignment and sale had not been made.

We hereby request that said Letters Patent be issued in accordance with this assignment.

We further covenant and agree that, at the time of the execution and delivery of these presents, we possess full title to the invention and application above-mentioned, and that we have the unencumbered right and authority to make this assignment.

We further covenant and agree to promptly communicate to said assignee or its representatives any facts known to us relating to said invention, to testify in any interference or

IN WITNESS WHEREOF, I have hereunto set my hand and seal on this 16th day of August, 2011.
