Hereinafter referred to as the "patents";

And, whereas PROTEX desires to assign a 100% undivided interest in said patents to Vanguard Products Group, Inc. (hereinafter "VANGUARD"), the above-identified Assignee, and wherein VANGUARD is desirous of acquiring the entire right, title and interest in the same;

Now, this indenture witnesseth, that for value received, the receipt and sufficiency whereof is hereby acknowledged;

PROTEX hereby assigns, sells and transfers a 100% undivided interest in the entirety of the bundle of rights, title, and interest in and to said patents, unto VANGUARD, together with all claims for past, present and future damages by reason of any past, present or future infringement of said patents and the right to sue therefor, such interests, claims, and rights, to be held and enjoyed by VANGUARD for its own use and for its successors and assigns, to the full end of the terms of said patents, as fully and entirely as the same would have been held by Assignor had this Assignment and sale not been made;

And PROTEX further agrees to execute all necessary and lawful future documents, including assignments in favor of VANGUARD, or its designees as VANGUARD or its assignees may from time-to-time present to PROTEX in order to perfect title in said patents;

And PROTEX further covenants that no assignment, sale, agreement, or encumbrance has been or will be made or entered into which would conflict with this assignment and sale;

And PROTEX further covenants that VANGUARD will, upon its request, be provided promptly with all pertinent facts and documents relating to said patents as may be known and accessible to PROTEX, and PROTEX will testify to the same in any interference or litigation related thereto and will promptly execute and deliver to VANGUARD or its legal representatives any and all papers, instruments, declarations, or affidavits required to apply for, obtain, maintain, and enforce said patents which may be necessary or desirable to carry out the purposes hereof;

This Assignment may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

Upon being duly cautioned, PROTEX hereby declares that all statements made herein of its own knowledge are true and that all statements made on information and belief are believed to be

true and further that false statements and the like so made is punishable by fine, imprisonment or both under Section 1001 of Title 18 of the United States Code.
