**ASSIGNMENT OF LETTERS PATENT**

WHEREAS, I Rocco DiFoggio, am the inventor of: "**AN APPARATUS, SYSTEM AND METHOD FOR INJECTING A FLUID INTO A FORMATION DOWNHOLE**", for which an application for a United States Letters Patent filed herewith; and

WHEREAS, Baker Hughes Incorporated, whose post office address is 2929 Allen Parkway, Suite 2100, Houston, Texas 77019-2118, a corporation created and existing under and by virtue of the laws of the State of Delaware, is desirous of acquiring the entire right, title, and interest in and to the aforesaid invention throughout the world; and all right, title and interest in, to and under any and all Letters Patent of the United States and all other countries throughout the world;

NOW, THEREFORE, be it known by all whom it may concern that for and in consideration of One Dollar (\$1.00), the receipt of which is hereby acknowledged, and for other good and valuable consideration, I the inventor hereby sell, assign, transfer, and set over to Baker Hughes Incorporated, all right, title and interest in and to the said invention throughout the entire world, in and to said application for U.S. Letters Patent, and any and all divisions, continuations, substitutions, continuations-in-part, and reissues thereof, and any and all Letters Patent of the United States and foreign countries which may be granted therefore on such inventions or improvements; and specifically including the right to file foreign applications under the provisions of any convention or treaty and claim priority based on such application in the United States. The assignments and transfers described herein are to be held and enjoyed by Baker Hughes Incorporated for its own use and benefit, and for the use and benefit of its successors, assigns, or other legal representatives, to the end of the term or terms for which said Letters Patent of the United States or foreign countries are or may be granted or reissued, as fully and entirely as the same would have been held and enjoyed by us if this assignment and sale had not been made. I further hereby assign and transfer to said corporation whatever cause of action I may have for past or present infringement of said invention, together with the right to bring suit for any such infringement and to seek and receive damages and other relief arising from any such infringement.

I the inventor do hereby authorize and request the Commissioner of Patents and Trademarks to issue any and all Letters Patent of the United States on said invention or resulting from said application and from any and all divisions, continuations, and reissues thereof, to Baker Hughes Incorporated, as assignee of our entire interest, and hereby covenant that I have the full right to convey the entire interest herein assigned, and that I have not executed and will not execute any agreement in conflict herewith.

I the inventor do further hereby covenant and agree that I will, at any time, upon request, execute and deliver any and all papers that may be necessary or desirable to perfect the title of said invention and to such Letters Patent as may be granted therefore to Baker Hughes Incorporated, its successors, assigns, or other legal representatives and that if Baker Hughes
