ASSIGNMENT

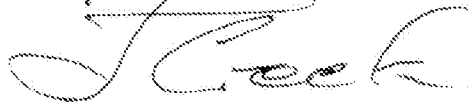

This Agreement is entered into by and between Thomas James Crook of Queensland, Australia (the "Assignor") and Load-Easy International Pty. Ltd. ("Load-Easy") having a mailing address of Unit 28, 8 Gooding Drive, Merrimac, Queensland 4226, Australia.

WHEREAS, Assignor has invented certain new and useful improvements in the device disclosed and claimed in PCT Application No. PCT/AU2010/000204 entitled LOGISTICS PANEL AND CONTAINERS filed February 23, 2010 (the "PCT Application"). Any and all inventions disclosed in the PCT Application will be referred to herein collectively as the "Invention."

WHEREAS, Assignor has agreed to assign his entire right title and interest in and to the Invention and PCT Application to Load-Easy.

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, Assignor does hereby sell, assign, and transfer unto Load-Easy, his entire right, title, and interest, in and to the Invention, including his entire right, title, and interest in and to the PCT Application. This assignment shall be effective worldwide, in all countries, and territories, including the United States of America as of 23 February 2009, and shall include all priority rights arising from the PCT Application. The Invention, any U.S. national phase patent application filed from the PCT Application, and any U.S. Letters Patent issuing from any such U.S. national phase patent application, and any continuation, continuation-in-part, or division thereof, and any reissue of any such patent, to be held and enjoyed fully and entirely by Load-Easy, for its own use, and for its legal representatives and assigns.

Executed this 22<sup>nd</sup> day of August, 2011.

Thomas James Crook, Assignor
