ASSIGNMENT

WHEREAS, I, Mats Lundén of Svärtinge, Sweden have made certain inventions which are described in an application for Letters Patent of the United States entitled An Arrangement And Method For Detecting Failure Of An Electromechanical Brake and executed by me on even date herewith preparatory to obtaining United States Letters Patent therefor, and further described in Swedish Patent Application No. 1050636-8 filed on June 18, 2010, and

WHEREAS, BT Products AB (hereinafter referred to as said Company), a Swedish corporation having a place of business in Mjölby, Sweden, is desirous of acquiring the entire interest in said inventions throughout the United States of America and the territories thereof, for all other countries and under all international agreements,

NOW, THEREFORE, for and in consideration of One Dollar (\$1.00) to me in hand paid, and other good and valuable consideration, receipt whereof is hereby acknowledged, I hereby sell, assign and transfer unto said Company, its successors and assigns, the entire right, title and interest throughout the United States of America and the territories thereof and for all foreign countries, in and to said inventions, the aforesaid application, and all other applications hereafter filed in the United States or any other country based in whole or in part on said inventions, and all Letters Patent granted upon said applications by the United States or any other country, and I do hereby authorize and request the Commissioner of Patents to issue said Letters Patent to said Company. I further grant to said Company, its successors and assigns, the right to claim for any of said applications the full benefits and priority rights of any international agreement between the United States and any foreign country or countries.

I hereby warrant that I have the full right to make the conveyance herein, and I hereby covenant that I, my heirs, legal representatives and assigns, will, when requested, communicate to said Company, its representatives, successors and assigns, all facts known respecting said inventions, execute all divisional, continuing, reissue, reexamination and foreign applications together with individual assignments therefore, make all rightful oaths, sign all lawful papers, testify in any legal proceeding and generally do everything possible to aid said Company, its successors and assigns, in the obtaining of Letters Patent.

IN TESTIMONY WHEREOF, I have hereunto set my hand and seal at the location and on the date indicated below my signature.

Date: 22 Aug -11
