**Schedule "B"****724 Solutions Inc.****Confidentiality and Non-Compete Agreement**

In consideration of my employment by 724 Solutions, Inc. (the "Company"), the Company's promise to disclose to me confidential and proprietary information and trade secrets of the Company, the Company's promise to provide me with immediate specialized training, and the compensation now and hereafter paid to me, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the undersigned hereby agrees with the Company as follows:

1. Recognition of Company's Rights; Nondisclosure. At all times during the term of my employment and thereafter, I will hold in strictest confidence and will not disclose, use, lecture upon, or publish any of the Company's Proprietary Information (defined below), except as such disclosure, use, or publication may be required in connection with my work for the Company, or unless the President or the Board of Directors of the Company expressly authorizes such in writing. The term "Proprietary Information" shall mean trade secrets, confidential knowledge, data, or any other proprietary information of the Company and each of its subsidiaries or affiliated companies. By way of illustration but not limitation, "Proprietary Information" includes (a) inventions, foreign and domestic patent rights, copyrights, sui generis rights, trade secrets, mask work rights, ideas, processes, formulas, data, programs, other works of authorship, know-how, improvements, discoveries, developments, designs, and techniques (hereinafter, such included Proprietary Information is collectively referred to as "Works"); (b) information regarding plans for research, development, new products and services, marketing and selling, business plans, budgets and unpublished financial statements, licenses, prices and costs, suppliers, and customers; and (c) information regarding the skills and compensation of other employees of the Company. However, I shall not be obligated under this paragraph with respect to information I can document is or becomes readily publicly available without restriction through no fault of mine.

2. Third Party Information. I understand, in addition, that the Company may from time to time receive from third parties confidential or proprietary information ("Third Party Information") subject to a duty on the Company's part to maintain the confidentiality of such information and to use it only for certain limited purposes. During the term of my employment and thereafter, I will hold Third Party Information in the strictest confidence and will not disclose (to anyone other than Company personnel who need to know such information in connection with their work for the Company) or use, except in connection with my work for the Company, Third Party Information unless expressly authorized by an executive officer of the Company in writing.

3. Assignment of Works.

(a) Company shall own and I hereby assign to the Company all my right, title, and interest in and to any and all Works (and all Proprietary Rights with respect thereto), whether or not patentable or registrable under copyright or similar statutes, that were made or conceived or reduced to practice or learned by me, either alone or jointly with others, during the period of my employment with the Company to the fullest extent allowable by law, and I will promptly disclose such Works to Company. If I use or disclose my own or any third party's confidential information or intellectual property when acting within the scope of my employment or otherwise on behalf of Company, Company will have and I hereby grant Company a perpetual, irrevocable, worldwide royalty-free, non-exclusive, sublicensable right and license to exploit and exercise all such confidential information and intellectual property rights.

(b) I acknowledge that all original works of authorship that are made by me (solely or jointly with others) during the term of my employment with the Company and that are within the scope of my employment and protectable by copyright are "works made for hire," as that term is defined in the United States Copyright Act (17 U.S.C. § 101). Works assigned to the Company by this paragraph 3 are hereinafter referred to as "Company Works."

(c) To the extent allowable by law, Company Works includes all rights of paternity, integrity, disclosure and withdrawal and any other rights that may be known as or referred to as "moral rights," "artist's rights," droit moral rights," or the like (collectively "Moral Rights"). To the extent I retain any such Moral Rights under applicable law, I hereby waive such Moral Rights and consent to any action with respect to such Moral Rights by or authorized by Company and specifically grant Company the right to alter such Company Works. I will confirm any such waivers and consents from time to time as requested by Company.

4. Enforcement of Proprietary Rights. I will assist the Company in every proper way to obtain and from time to time enforce United States and foreign Proprietary Rights relating to Company Works in any and all countries. To that end I will execute, verify, and deliver such documents and perform such other acts (including appearances as a witness) as the Company may reasonably request for use in applying for, obtaining, perfecting, evidencing, sustaining, and enforcing such Proprietary Rights and the assignment thereof. In addition, I will execute, verify, and deliver assignments of such Proprietary rights to the Company or its designee. My obligation to assist the Company with respect to Proprietary Rights relating to such Company Works in any and all countries shall continue beyond the termination of my employment, but the Company shall compensate me at a reasonable rate after my termination for the time actually spent by me at the Company's request on such assistance.

In the event the Company is unable for any reason, after reasonable effort, to secure my signature on any document needed in connection with the actions specified in the preceding paragraph, I hereby irrevocably designate and appoint the Company and its duly authorized officers and agents as my agent and attorney in fact, to act for and in my behalf to execute, verify, and file any such documents and to do all other lawfully permitted acts to further the purposes of the preceding paragraph thereon with the same legal force and effect as if executed by me. I hereby waive and quitclaim to the Company any and all claims, of any nature whatsoever, that I now or may hereafter have for infringement of any Proprietary Rights assigned hereunder to the Company.

5. Obligation to Keep Company Informed. During the period of my employment, I will promptly disclose to the Company fully and in writing and will hold in trust for the sole right and benefit of the Company any and all Works. In addition, I will disclose all patent applications filed by me during the three (3) years after termination of my employment with the Company.

6. Prior Inventions. Inventions, if any, patented or unpatented, that I made prior to the commencement of my employment with the Company are excluded from the scope of this Agreement. To preclude any possible uncertainty, I have set forth on Exhibit A attached hereto a complete list of all inventions that I have, alone or jointly with others, conceived, developed, or reduced to practice or caused to be conceived, developed, or reduced to practice prior to commencement of my employment with the Company, that I consider to be my property or the property of third parties and that I wish to have excluded from the scope of this Agreement. If disclosure of any such invention on Exhibit A would cause me to violate any prior confidentiality agreement, I understand that I am not to list such inventions in Exhibit A but am to inform the Company that all inventions have not been listed for that reason.

7. Other Activities; Non-Competition; Non-Solicitation.

(a) During the term of my employment with the Company, I will not, directly or indirectly, participate in the ownership, management, operation, financing or control of, (other than those that would be considered a portfolio investment) or be employed by or consult for or otherwise render services to, any person, corporation, firm, or other entity that competes in the State of Texas, or in any other state in the United States, or in any country in the world with the Company in the conduct of the business of the Company as conducted or as proposed to be conducted, nor shall I engage in any other activities that conflict with my obligations to the Company.

(b) In consideration of the premises hereof and in further consideration of the Company's promise to disclose to me confidential and proprietary information and trade secrets of the Company and the Company's promise to provide me with immediate specialized training, and the experience I will gain throughout my employment with the Company, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I hereby agree that for a period of nine (9) months after the date that my employment with the Company is terminated, for any reason, I will not, directly or indirectly, (i) compete in the state of Texas, or in any other State of the United States, or in any country in the world where the Company engages in business, or proposes to engage in business, on the date of the termination of my employment with the Company, or (ii) participate in the ownership, management, operation, financing, or control of, or be employed by or consult for or otherwise render services to, any person, corporation, firm, or other entity that competes in the state of Texas, or in any other State of the United States, or in any country in the world with the Company in the conduct of the business of the Company as conducted and as proposed to be conducted on the date of termination of my employment during the period for which I am receiving the Severance Amounts outlined in clause 6(e). However, should I desire to

(i) compete in the state of Texas, or in any other State of the United States, or in any country in the world where the Company engages in business, or proposes to engage in business, on the date of the termination of my employment with the Company, or

(ii) participate in the ownership, management, operation, financing, or control of, or be employed by or consult for or otherwise render services to, any person, corporation, firm, or other entity that competes in the state of Texas, or in any other State of the United States, or in any country in the world with the Company in the conduct of the business of the Company as conducted and as proposed to be conducted on the date of termination of my employment

I will return the proportionate amount of my Severance Amount. Under no circumstances will I reveal confidential and proprietary information and trade secrets of the Company. Notwithstanding the foregoing, I am permitted to own up to 5% of any class of securities of any corporation that is traded on a national securities exchange or through Nasdaq.

(c) During the term of my employment and for a period of six (6) months after my employment with the Company is terminated for any reason, I will not, directly or indirectly, individually or on behalf of any other person, firm, partnership, corporation, or business entity of any type, hire, solicit, assist or in any way encourage any current employee or consultant of the Company or any subsidiary of the Company to terminate his or her employment relationship or consulting relationship with the Company or subsidiary nor will I hire or solicit the employment

services of any former employee of the Company or any subsidiary of the Company whose employment has been terminated for less than six (6) months.

8. No Improper Use of Materials. I understand that I shall not use the proprietary or confidential information or trade secrets of any former employer or any other person or entity in connection with my employment with the Company. During my employment by the Company I will not improperly use or disclose any proprietary or confidential information or trade secrets, if any, of any former employer or any other person or entity to whom I have an obligation of confidentiality, and I will not bring onto the premises of the Company any unpublished documents or any property belonging to any former employer or any other person or entity to whom I have an obligation of confidentiality unless consented to in writing by that former employer, person, or entity.

9. No Conflicting Obligation. I represent that my performance of all the terms of this Agreement and as an employee of the Company does not and will not breach any agreement between me and any other employer, person or entity. I have not entered into, and I agree I will not enter into, any agreement either written or oral in conflict herewith.

10. Return of Company Documents. When I leave the employ of the Company, I will deliver to the Company all drawings, notes, memoranda, specifications, devices, formulas, and documents, together with all copies thereof, and any other material containing or disclosing any Company Works, Third Party Information, or Proprietary Information of the Company. I further agree that any property situated on the Company's premises and owned by the Company, including disks and other storage media, filing cabinets or other work areas, is subject to inspection by Company personnel at any time with or without notice.

11. Legal and Equitable Remedies. Because my services are personal and unique and because I will have access to and become acquainted with the Proprietary Information of the Company, the Company shall have the right to enforce this Agreement and any of its provisions by injunction, specific performance, or other equitable relief, without bond and without prejudice to any other rights and remedies that the Company may have for a breach of this Agreement.

12. Authorization to Notify New Employer. I hereby authorize the Company to notify my new employer about my rights and obligations under this Agreement following the termination of my employment with the Company.

13. Notices. Any notices required or permitted hereunder shall be given to the appropriate party at the address specified in the Employment Agreement between me and the Company. Such notice shall be deemed given upon personal delivery to the appropriate address or if sent by certified or registered mail, three days after the date of mailing.

14. General Provisions.

14.1 Governing Law. This Agreement will be governed by and construed according to the laws of the State of New York without regard to conflicts of law principles.

14.2 Exclusive Forum. I hereby irrevocably agree that the exclusive forum for any suit, action, or other proceeding arising out of or in any way related to this Agreement shall be in the state or federal courts in Texas, and I agree to the exclusive personal jurisdiction and venue of any court in Travis County, Texas.

14.3 Entire Agreement. This Agreement sets forth the entire agreement and understanding between the Company and myself relating to the subject matter hereof and supercedes and merges all prior discussions between us. No modification of or amendment to this Agreement, nor any waiver of any rights under this Agreement, will be effective unless in writing signed by the party to be charged. Any subsequent change or changes in my duties, salary, or compensation will not affect the validity or scope of this Agreement. As used in this Agreement, the period of my employment includes any time during which I may be retained by the Company as a consultant.

14.4 Assignment. You acknowledge that 724 Solutions may assign this agreement and the benefits of your covenants and obligations under this agreement to any person who purchases all or substantially all the assets of 724 Solutions. In addition, this agreement and the rights and obligations of 724 Solutions may be assigned at any time by 724 Solutions to an affiliate of 724 Solutions. Subject to the forgoing, neither this agreement nor any rights or obligations hereunder shall be assignable by any party without the prior written consent of the other party. Subject thereto, this agreement shall ensure to the benefit of and be binding upon the parties and their respective heirs, executors, administrators, legal personal representatives, successors (including any successor by reason of amalgamation or statutory arrangement of any party) and permitted assigns.

14.5 Severability.

(a) I acknowledge and agree that each agreement and covenant set forth herein constitutes a separate agreement independently supported by good and adequate consideration and that each such agreement shall be severable from the other provisions of this Agreement and shall survive this Agreement.

(b) I understand and agree that Section 7 of this Agreement is to be enforced to the fullest extent permitted by law. Accordingly, if a court of competent jurisdiction determines that the scope and/or operation of Section 7 is too broad to be enforced as written, the Company and I intend that the court should reform such provision to such narrower scope and/or operation as it determines to be enforceable, provided, however, that such reformation applies only with respect to the operation of such provision in the particular jurisdiction with respect to which such determination was made. If, however, Section 7 is held to be illegal, invalid, or unenforceable under present or future law, and not subject to reformation, then (i) such provision shall be fully severable, (ii) this Agreement shall be construed and enforced as if such provision was never a part of this Agreement, and (iii) the remaining provisions of this Agreement shall remain in full force and effect and shall not be affected by the illegal, invalid, or unenforceable provision or by its severance.

14.6 Successors and Assigns.

This Agreement will be binding upon my heirs, executors, administrators, and other legal representatives and will be for the benefit of the Company, its successors and assigns.

14.7 Survival. The provisions of this Agreement shall survive the termination of my employment for any reason and the assignment of this Agreement by the Company to any successor in interest or other assignee. I further understand and agree that the phrase "term of employment" contained herein shall include any period of time during which I am retained by the Company as a consultant and/or independent contractor.

14.8 Employment. I agree and understand that my employment with the Company is at will, which means that either I or the Company may terminate the employment relationship at any time, with or without prior notice and with or without cause. I further agree and understand that nothing in this Agreement shall confer any right with respect to continuation of employment by the Company, nor shall it interfere in any way with my right or the Company's right to terminate my employment at any time, with or without cause.

14.9 Waiver. No waiver by the Company of any breach of this Agreement shall be a waiver of any preceding or succeeding breach. No waiver by the Company of any right under this Agreement shall be construed as a waiver of any other right. The Company shall not be required to give notice to enforce strict adherence to all terms of this Agreement.

14.10 Headings. The headings to each section or paragraph of this Agreement are provided for convenience of reference only and shall have no legal effect in the interpretation of the terms hereof.

This Agreement shall be effective as of the first day of my employment with the Company, namely: October 25, 2004, or later as mutually agreed.

I UNDERSTAND THAT THIS AGREEMENT AFFECTS MY RIGHTS TO INVENTIONS I MAKE DURING MY EMPLOYMENT, RESTRICTS MY RIGHT TO DISCLOSE OR USE THE COMPANY'S PROPRIETARY INFORMATION DURING OR SUBSEQUENT TO MY EMPLOYMENT, AND PROHIBITS ME FROM COMPETING WITH THE COMPANY AND/OR FROM SOLICITING EMPLOYEES AND CUSTOMERS OF THE COMPANY FOR ONE (1) YEAR AFTER MY EMPLOYMENT WITH THE COMPANY IS TERMINATED FOR ANY REASON.
