ASSIGNMENT

The undersigned, **ALTAREX MEDICAL CORP.** (hereinafter "ALTAREX") whose full post office address is 8223 Roper Road, Edmonton, Alberta, T6E 6S4, Canada, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, does hereby assign to **QUEST PHARMATECH INC.** (hereinafter "QUEST") whose full post office address is 9407 20 Avenue, Edmonton, Alberta, Canada, T6N 1E5, Canada, all its right, title and interest in and to all of the patents and patent applications in the attached "Schedule A" (the "PATENTS"), and the worldwide rights related to the PATENTS, whether directly or indirectly, including:

1. all divisionals, continuations, continuations in part, renewals, substitutions or national phase entries related thereto, and any patents which may issue therefrom, including without limitation, any and all inventions and discoveries disclosed in the patents and patent applications set out in the attached Schedule "A", including any reissue, re-examination or extensions thereof; and
2. all subsequent worldwide patent applications relating to the PATENTS listed in the attached Schedule "A", including all any divisionals, continuations, continuations in part, renewals or substitutions thereof, for Canada, its territories and possession and all foreign countries, including the right to file corresponding applications for patents or the legal equivalent thereof in any and all foreign countries, and the right to claim priority under any and all treaties and conventions including the Paris Convention for the Protection of Industrial Property and the Patent Co-operation Treaty of the World Intellectual Property Organization ("WIPO") for such corresponding applications, and any patents which may issue therefrom,

the same to be held and enjoyed by QUEST, its assigns and successors, as fully and entirely as the same would have been held and enjoyed by ALTAREX, had this assignment not been made. ALTAREX hereby authorizes and requests the Commissioner of Patents in Canada and in all foreign countries to issue all patents or legal equivalents thereof related to the PATENTS and each divisional, continuation, continuation in part, substitution, national phase entry, reissue, renewal and extension thereof to QUEST its successors and assigns.

ALTAREX covenants and agrees that it will, at any time on request and at the expense of QUEST, execute and deliver any and all papers and do all lawful acts that may

(E5873558.DOC:1)

be necessary or desirable, in the opinion of QUEST, to enable and assist QUEST to (a) obtain Letters Patent, both domestic and foreign, on any inventions related to the PATENTS; (b) establish, maintain and secure in QUEST, its successors and assigns, title to said inventions, applications and Letters Patent, including making such title of lawful public record; and (c) defend, establish or otherwise preserve the validity of said Letters Patent against any and all infringers, and perform such other acts as are necessary to give full force and effect to this assignment.

The undersigned represents and warrants that no assignment, mortgage, sale, license, pledge, encumbrance or alienation of said invention, patent applications or patents has been or will be made or entered into which would conflict with this assignment. ALTAREX confirms that it is the sole owner of the PATENTS and that it has the unencumbered right, power and authority to make this assignment.

The undersigned HEREBY declares that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, in the United States under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of any patent application filed in respect of the invention or of any patent issued thereon.

IN TESTIMONY WHEREOF, the undersigned has duly executed this assignment as its free act and deed. Signed at St-Laurent, Quebec, Canada, this 28 day of September, 2009.

ALTAREX MEDICAL CORP.
