ASSIGNMENT

I, Scott H. Pryne, ("Assignor"), a citizen of the United States of America, residing at 396 Hudson Street, Cornwall, New York, 12518 am a coinventor and a coapplicant of invention titled HIGH-TEMPERATURE AND FIRE-RESISTANT FABRIC AND A METHOD OF MANUFACTURING THEREOF and described in U.S. Patent Application No. 12/080,601, filed on April 4, 2008 and signed by me.

American Felt and Filter Company, LLC, ("Assignee"), with offices located at 361 Walsh Avenue, New Windsor, New York, 12553, desires to acquire my entire right, title and interest in and to the invention described in said Patent Application, in and to said Patent Application, in and to any continuation patent applications based on said Patent Application, and in and to all patents and reissues and/or extensions thereon, if any, that may be granted on said Patent Application.

Therefore, for good and valuable consideration, the receipt of which is hereby acknowledged, Assignor hereby assigns, grants and conveys, exclusively, to Assignee his entire right, title and interest in said invention, said Patent Application, all divisional, continuations in whole or in part and/or substitute applications based on said Patent Application and in and to all patents and reissues and/or extensions thereon, if any, that may be granted on said patent applications.

This assignment shall last for the entire term of any issued patent resulting from said Patent Application and any reissues or extensions that may be granted and for the entire terms of any and all foreign patents that may issue from foreign applications, as well as divisions, continuations in whole or in part or substitute applications filed claiming the benefit of said Patent Application.

Assignor hereby authorizes the United States Patent and Trademark Office to issue any patents claiming benefit from said Patent Application to Assignee. My entire right, title and interest is to be held and enjoyed by the Assignee and Assignee's successors and assigns as fully and exclusively as it would have been held and enjoyed by Assignor had this Assignment not been made.

Assignor further agrees to: (a) cooperate with Assignee in the prosecution of said Patent Application and foreign counterparts, (b) execute, verify, acknowledge and deliver all such further papers, including patent applications and instruments of transfer, and (c) perform such other acts as Assignee lawfully may request to obtain or maintain the patent(s) for the invention in any and all countries.
