ASSIGNMENT

WHEREAS, Rimas Ciplijauskas, whose full post office address is 9 Munhall Road, Etobicoke, Ontario, Canada M9P 1R1, Michael James Best whose full post office address is 419 Binns Avenue, Newmarket, Ontario, Canada L3X 1T7, Babak Fana whose full post office address is 2674 Burnford Trail, Mississauga, Ontario, Canada L5M 5E1 and Raj S. Roychoudhury whose full post office address is 4880 Wye Oak Road, Bloomfield Hills, Michigan, U.S.A. 48301 (hereinafter “the Assignors”) are the inventors of an invention disclosed in United States provisional patent application no. 61/044,294, filed on April 11, 2008, International patent application no. PCT/CA2009/000476, filed on April 14, 2009, German patent application no. 11 2009 000 840.2-56, filed on April 14, 2009 and United States patent application no. 12/937,104, filed on January 26, 2011 entitled INFLATABLE MULTILAYER BOLSTER AND METHOD OF MANUFACTURE, (hereinafter “the Application”);

AND WHEREAS, Salflex Polymers Ltd. whose full post office address is 1925 Wilson Avenue, Weston, Ontario, Canada M9M 1A9, (hereinafter “the Assignee”), has acquired from the Assignors, the Assignors' entire right, title and interest in and to the invention, in all countries of the world, including the Assignors' rights to the Application, and all related applications thereon, including any and all, international, national and regional phase applications based on the Application, and other counterpart applications in all countries, and any and all substitutes, divisionals, continuations and continuations-in-part, and any Letters Patent that may be obtained therefor, and in any and all reissues, extensions, renewals and reexaminations of such applications and patents;

NOW THEREFORE, in consideration of the sum of One Dollar ($1.00) and other good and valuable consideration, the receipt and sufficiency of all of which
is hereby acknowledged, the Assignors hereby confirm that, as of the filing date of the Application, they Assignors have assigned, and, effective as of the filing date of the Application, do hereby sell and assign, transfer and set over to the Assignee, all the Assignors' right, title and interest for Canada, the United States of America, its territories, dependencies and possessions, and for all other countries in the world, in and to the invention, including the Assignors' rights to the Application, and all related applications and patents thereon, to be held and enjoyed by the Assignee, its assigns and successors, as fully and entirely as the same would have been held and enjoyed by the Assignors, had this Assignment not been made.

The Assignors shall without further consideration do all such things and execute all such documents as may be necessary or desirable to obtain and maintain the Application for the invention, and all related applications and patents thereon, in any and all countries, and to vest title thereto in the Assignee, its successors, assigns and legal representatives or nominees.

The Assignors authorize and empower the Assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any of the Applications, and all related applications and patents thereon, filed by the Assignors, or the Assignee, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from the Assignors.

The Assignors authorize and empower Bereskin & Parr LLP/S.E.N.C.R.L., s.r.l., whose complete address is Suite 4000, Scotia Plaza, Box 401, 40 King Street West, Toronto, Ontario M5H 3Y2, to insert on this Assignment any further identification, to prepare any translation which may be necessary or desirable in
order to comply with the rules for recordation of this document in any country and to correct any clerical error in this assignment.

The Commissioner of Patents & Trademarks is hereby authorized and requested to issue any Letters Patent for the Application, and all related applications thereon, to the Assignee, for its sole use and benefit; and for the use and benefit of its successors and assigns, to the full end of the term for which Letters Patent may be granted, as fully and entirely as the same would have been held by the Assignors had this Assignment and sale not been made.

If a provision of this Assignment is or becomes illegal, invalid or unenforceable in any jurisdiction, that shall not affect the validity or enforceability in that jurisdiction of any other provision of this Assignment, or the validity or enforceability in other jurisdictions of that or any other provision of this Assignment.
