PATENT ASSIGNMENT

THIS PATENT ASSIGNMENT (the "Assignment"), dated as of the 30th day of August, 2011, is by and between HBI Branded Apparel Enterprises, LLC, a Delaware limited liability company ("Assignor"), and Hanesbrands Inc., a Maryland corporation ("Assignee").

WHEREAS, Assignor owns United States Patent No. 6,125,664 (the "Patent"), and the inventions, discoveries, and improvements disclosed in the Patent,

WHEREAS, Assignor is a wholly owned subsidiary of Assignee;

WHEREAS, Assignor now desires to assign the Patent to Assignee;

NOW, THEREFORE, for and in consideration the foregoing premises, the mutual covenants set forth herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agrees as follows:

1 Assignor, by these presents, does hereby irrevocably assign and transfer unto Assignee all of its right, title and interest: (i) in and to the Patent; (ii) in and to all inventions, discoveries, and improvements disclosed and described in the Patent, (iii) as applicable, in and to all divisional, continuation, continuation-in-part, and other continuing patent applications describing in whole or in part the said inventions, discoveries, and improvements, preparatory to obtaining patents therefore, (iv) as applicable, in and to all patents of the United States and foreign jurisdictions that may be granted on the foregoing and all reissues and extensions thereof, (v) as applicable, in and to any provisional patent applications filed in the United States describing in whole or in part the said inventions, discoveries, and improvements, from which priority has been or may be claimed under Title 35 of the United States Code, (vi) as applicable, in and to the right to claim any applicable foreign and domestic priority rights arising from the Patent and any of the aforementioned patent applications; (vii) in and to all proceeds derived from any of the foregoing including from said inventions, discoveries, and improvements (including, but not limited to, all license royalties and proceeds of infringement suits); (viii) in and to the right to sue for all past, present and future infringements of the Patent and all rights deriving from any of the foregoing; and (ix) in and to all of Assignor's obligations with respect to the Patent under that certain Amended and Restated Patent Security Agreement, by and between Assignor and JP Morgan Chase Bank, N.A. (the "Agent"), dated as of December 10, 2009 (the "Security Agreement"). Assignor does hereby request the Commissioner of Patents to issue any and all patents of the United States resulting from any of the foregoing U S. patent applications, if any, to Assignee, for

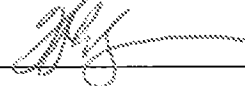

its interest and for the sole use and behalf of Assignee and its assigns and legal representatives, subject only to the security interest referenced in Section 3 below

2. Assignor further agrees to sign all lawful papers, make all assignments and rightful oaths, testify in any legal or non-legal proceedings and generally provide reasonable assistance, all at Assignee's cost, to aid Assignee its successors, assigns, and nominees, to obtain and perfect protection for the Patent assigned hereby

3 Assignee acknowledges that the Patent is subject to a continuing security interest in favor of the Agent pursuant to the Security Agreement and the corresponding rights of the Agent set forth therein, and Assignee hereby agrees to assume and comply with all of Assignor's obligations under the Security Agreement with respect to the Patent.

IN WITNESS WHEREOF, the parties have caused this Assignment to be duly executed by their respective authorized officers, all as of the date and year below
