## PATENT PORTFOLIO ASSIGNMENT

WHEREAS, Christopher Langford and Christine Langford, individuals with a residence at 109 Fir Drive, Chehalis, WA 98532, (hereinafter "Assignor"), own and wish to sell all of their right, title and interest in, to and under the patent instruments specifically identified and listed in Schedule A attached hereto, and any rights arising therefrom (collectively, the "Letters Patents"), which are incorporated herein by reference and made a part hereof; and

WHEREAS, Trident Seafoods Corporation, a Washington corporation, having principal offices at 5303 Shilshole Avenue NW, Seattle, Washington 98107 (hereinafter "Assignee"), is desirous of acquiring all of Assignor's right, title and interest in, to and under the Letters Patents, including its right to sue for and collect for past and future infringement thereof;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which by Assignor is hereby acknowledged, and intending to be legally bound hereby, the Assignor does hereby assign, sell, transfer and set over unto the Assignee its entire right, title and interest in, to and under the Letters Patents, and any and all renewals, revivals, reissues, reexaminations, and extensions thereof in the United States or in any country, including Assignor's right to sue for and collect damages and other recoveries for past infringement thereof; and the entire right, title and interest in all Convention and Treaty Rights of all kinds thereon, including without limitation all rights of priority in any country of the world, in and to the inventions, discoveries and applications of the Letters Patents identified in Schedule A hereto; the same to be held and enjoyed by the Assignee, its successors and assigns, as fully as the same would have been held and enjoyed by the Assignor had this Assignment not been made.

The Assignor hereby authorizes and requests the competent authorities to grant and to issue any and all such Letters Patents in the United States and throughout the world to the Assignee of the entire right, title and interest therein, as fully and entirely as the same would have been held and enjoyed by Assignor had this assignment, sale and transfer not been made.

The Assignor further agrees at any time, and to the best of Assignor's abilities, to execute and to deliver upon request of the Assignee such additional documents, if any, as are necessary or desirable to secure patent protection on the above inventions, discoveries and applications throughout all countries of the world, and otherwise to do the necessary to give full effect to and to perfect the rights of the Assignee under this Assignment, including the execution, delivery and procurement of any and all further documents evidencing this assignment, transfer and sale as may be necessary or desirable.

The Assignor covenants that no assignment, sale, agreement or encumbrance has been made or entered into which would conflict with this assignment.

The Assignor further covenants that, and to the best of Assignor's abilities, Assignee will, upon its request, be provided promptly with all pertinent facts and documents relating to the invention and the Letters Patents identified in Schedule A hereto and legal equivalents as may be known and accessible to Assignor and will testify as to the same in any interference, litigation or proceeding related thereto and will promptly execute and deliver to Assignee or its legal representatives any and all papers, instruments or affidavits required to apply for, obtain, maintain, issue and enforce the invention and the Letters Patents identified in Schedule A hereto and said equivalents thereof which may be necessary or desirable to carry out the purposes thereof.
