## ASSIGNMENT OF PATENT APPLICATION

For good and valuable consideration, the receipt of which is hereby acknowledged, TransTech Pharma, Inc., a corporation of the State of Delaware, having its principal place of business at 4170 Mendenhall Oaks Parkway, High Point, North Carolina 27265 ("the Assignor") hereby sells, assigns, and transfers to High Point Pharmaceuticals, LLC, a company of the State of Delaware, having its principal place of business at 4170 Mendenhall Oaks Parkway, High Point, North Carolina 27265 ("the Assignee"), and the Assignee's successors and assigns, all right, title, and interest for all countries in and to the United States nonprovisional patent application entitled

SUBSTITUTED THIAZOL-2-YLAMINE DERIVATIVES, PHARMACEUTICAL COMPOSITIONS, AND METHODS OF USE AS 11-BETA HSD1 MODULATORS, filed July 25, 2011, and identified as United States Patent Application No. 13/189,640, ("the Application"),

and in and to any and all inventions disclosed in the Application ("the Inventions") and all nonprovisional applications for United States Patent, including divisional, continuing, substitute, renewal, and reissue thereof, and all other applications for United States Patent or other related property rights in any and all foreign countries which have been or shall be filed on one or more of the Inventions, and in and to all original and reissued patents or related foreign documents that have been or shall be issued on one or more of the Inventions.

The Assignor, in accordance with this assignment, authorizes and requests the Commissioner for Patents of the United States to issue to the Assignee or the Assignee's successors and assigns, in accordance with this assignment, any and all United States Patents that claim or disclose one or more of the Inventions.

The Assignor further agrees, for good and valuable consideration, the receipt of which is hereby acknowledged, that the Assignee or the Assignee's successors and assigns may apply for and receive foreign Patents or similar such rights and, in doing so, may make a claim of priority to the Application under the provisions of any bilateral or multilateral treaty or international agreement, including but not limited to, the International Convention of 1883 and later modifications thereof ("the Paris Convention"), the Patent Cooperation Treaty, the European Patent Convention, the Eurasian Patent Convention, the agreement(s) of the African Regional Intellectual Property Organization, the agreement(s) of the Organisation Africaine de la Propriete Intellectuelle, and the agreement(s) of the Cooperation Council for the Arab States of the Gulf; and that, when requested, without charge to the Assignee or the Assignee's successors and assigns, to carry out in good faith the intent and purpose of this assignment, the Assignor will, for the United States and any and all foreign countries: (i) execute any and all documents related to any application for patent in the United States or a foreign country, where such application discloses one or more of the Inventions; (ii) execute any and all oaths, declarations, assignments, confirmatory assignments, powers of attorney and other papers concerning one or more of the Inventions and any and all patent applications thereon, whether in the United States or a foreign country; and (iii) perform other such acts, at the request of the Assignee or the Assignee's successors and assigns, to obtain or maintain any and all patents or related property rights in the United States or any foreign country on one or more of the Inventions or any improvements thereto and to vest title thereto in the Assignee or the Assignee's successors and assigns.

In testimony whereof, I, Stephen L. Holcombe, Senior Vice President and Chief Financial Officer (CFO) of the Assignor, TransTech Pharma, Inc., have signed my name below on the date indicated on behalf of the Assignor, TransTech Pharma, Inc. By such signature, I acknowledge that I have actual authority to act on behalf of the Assignor, TransTech Pharma, Inc., in this capacity.
