## ASSIGNMENT OF PATENTS AND PATENT APPLICATIONS

WHEREAS, Searco Industries, LLC., a limited liability company organized and existing under and by virtue of the laws of the State of Delaware, and having an office and place of business at 300 Mercer Street, Suite 22C, New York, NY 10003, holds the entire right, title, and interest in the patents and patent applications listed in the table attached hereto as Appendix A.

WHEREAS, CM HAMMAR AB, a Swedish corporation organized and existing under and by virtue of the laws of the country of Sweden and having an office and place of business at August Barks gata 15, 421 32 Västra Frölunda, Sweden (hereinafter "Assignee") is desirous of acquiring the entire right, title and interest in and to said patents and patent applications;

NOW THEREFORE, to all whom it may concern, be it known that for and in consideration of the sum of Ten Dollars and other good and valuable considerations including consideration set forth in the asset transfer agreement, the receipt and sufficiency whereon is hereby acknowledged, we have sold, assigned, and transferred, and by these presents do sell, assign and transfer unto said Assignee, its successors or assigns, the entire right, title and interest for all countries in and to all inventions, all designs and all improvements disclosed in the patents and patent applications listed in Appendix A, and in and to all divisions, continuations, or renewals thereof, all Letters Patent which may be granted therefrom, and all reissues or extensions of such patents, and in and to any and all applications which have been or shall be filed in any foreign rights under the provisions of the International Convention, and all Patent of foreign countries which may be granted therefrom; and we do hereby authorize and request the Commissioner of Patents and Trademarks to issue any and all United States Patent for the aforesaid inventions, designs and improvements to the Assignee as the assignee of the entire right, title and interest in and to the same, for the use of the Assignee, its successors and assigns.

AND, for the consideration aforesaid, we do hereby agree that we and our respective executors and legal representatives will make, execute and deliver any and all other instruments in writing including any and all further application papers, affidavits, assignments and other documents, and will communicate to said Assignee, its successors and representatives all facts and proceedings and generally do all things which may be necessary or desirable more effectually to secure and to vest in said Assignee, its successors or assigns, the entire right, title and interest in and to the improvements, inventions, applications, Letters Patent, rights, titles, benefits, privileges and advantages hereby sold, assigned and conveyed, or intended so to be.

AND, furthermore we covenant and agree with said Assignee, its successors and assigns, that no assignment, grant, mortgage, license or other agreement affecting the right and property herein conveyed has been made to others by me and that full right to convey the same as herein expressed is possessed by us.

IN WITNESS WHEREOF, Searco Industries, LLC. has caused this Assignment to be fully executed as of this 11 day of August, 2011.
