ASSIGNMENT

In consideration of the sum of one dollar and other good and valuable consideration, receipt of which is hereby acknowledged, we, the undersigned, whose names and complete addresses are listed below:

<u>Name</u>	<u>Address</u>
Jason Peters	5100 Spectrum Way, Mississauga, Ontario, Canada L4W 5S2
Michele Molino	5100 Spectrum Way, Mississauga, Ontario, Canada L4W 5S2

confirm that we have sold, assigned and transferred, and do hereby sell, assign and transfer to **Multi Formulations Ltd.** (Assignee), whose full post office address is 5100 Spectrum Way, Mississauga, Ontario, Canada L4W 5S2, and to the Assignee's successors, assigns or other legal representatives, our right to apply for and obtain Letters Patent of the United States of America for an invention entitled IMPROVING THE ENERGY STATUS OF AN INDIVIDUAL BY ENHANCED USAGE OF AN ENDOGENOUS FUEL SOURCE, as fully set forth and described in United States Patent Application No. _____ filed on _____, 2007, (I hereby authorize and request my attorney, Conor McCourt of Torys LLP of 79 Wellington Street West, Suite 3000, Toronto, Ontario, Canada M5K 1N2, to insert herein the filing date and application number of said application when known) under the same title and naming us as the applicants and inventors;

together with our entire right, title, property, benefit and interest for the United States of America and all other countries, in and to the aforementioned application, and any foreign applications corresponding thereto and any Letters Patent which may issue for the invention from such applications, including all divisions, continuations, continuations-in-part, re-examinations, reissues and extensions, and any rights of priority resulting from the filing of the above-identified application under international conventions, treaties or otherwise, the same to be held and enjoyed as fully and exclusively as they would have been by us had this sale, assignment and transfer not been made;

And we hereby covenant and agree to do all such things and to execute without further consideration such further assurances, applications and other instruments as may reasonably be required by the Assignee to obtain Letters Patent in the United States of America and all other countries, for the invention and vest the same in the Assignee;

Each of us makes this assignment in respect of his or her interest in the invention and aforementioned applications independently of any assignment of any other inventor or assignor;

This assignment can be executed in counterparts.
