EXECUTION VERSION

This PATENT AND COPYRIGHT ASSIGNMENT (this "Assignment"), is made and effective as of the 27th day of December 2010 (the "Effective Date") by Gambro Lundia AB, a corporation organized under the Laws of Sweden, having its registered office at Magistratsvägen 16, P.O. Box 10101, SE-220 10 Lund, Sweden ("Gambro"), certain of its Affiliates as listed in Exhibit A (together with Gambro, the "Assignors") in favour of Fresenius Medical Care Deutschland GmbH, a company with limited liability organized under the Laws of Germany, having its registered office at Else-Kröner-Straße 1, 61346 Bad Homburg v.d.H., Germany ("Assignee"), for its benefit (each individually a "party" and collectively the "parties").

WITNESSETH:

WHEREAS, certain Assignors are engaged in the business of manufacturing, selling and distributing peritoneal dialysis products on a worldwide basis (the "PD Business");

WHEREAS, Assignors own certain right, interest and title to and in the patents listed in the attached Schedule 1 (the "Patents") and the registrations and pending applications associated therewith, together with (i) rights, powers, privileges, defenses and immunities arising or accrued from the Patents, including all causes of action for past, present

(ii) all the benefits of any patent applications comprised in the Patents, such that upon registration of such patent applications this Assignment shall vest the same in Assignee (collectively, the "Patent Rights");

NOW, THEREFORE, each of the Assignors and Assignee hereby agrees as follows.

1. Assignment. Each of the Assignors hereby irrevocably sells, assigns, transfers and sets over to Assignee its respective right, title and interest in and to the Patent Rights

2. Further Assurances. Assignors agree to perform all further acts and execute and deliver all further documents and/or instruments which may be reasonably necessary to carry out the provisions of this Assignment, including, without limitation, cooperating fully with Assignee to perfect the transfer of the Patents hereunder and in compliance with all applicable foreign laws and to assure that the assignments of the Patents are properly recorded at any appropriate administrative agency in countries in which the Patents are registered. Assignee shall be responsible for the payment of all fees, costs, Taxes and other charges incurred in connection with this Assignment. Notwithstanding the foregoing, Assignors shall be responsible for the payment of their own internal costs and expenses, and for the payment of the fees related to the preparation of the assignment documents by their legal counsels.

[Signature Page Follows]

IN WITNESS WHEREOF, each of the Assignors and Assignee has executed this Assignment as of the day and year first above written.
