WHEREAS Belden Inc., 7733 Forsyth Boulevard, Suite 800, St. Louis, MO, 63105 (hereinafter referred to as "Assignee") is desirous of acquiring the full right, title and interest in and to said invention for the United States of America and countries foreign thereto, and in and to said Patent Applications;

NOW, THEREFORE, for good and valuable consideration of \$1 U.S. Dollar, the receipt and sufficiency of which is hereby acknowledged by Assignor, Assignor has sold, assigned, transferred and set over, and by these presents hereby sells, assigns, transfers and sets over to Assignee the entire and exclusive right, title and interest in and to said inventions for the United States of America and countries foreign thereto, and in and to said Patent Applications listed above, including any and all (a) Letters Patent which may issue from said applications in the United States or countries foreign thereto, (b) divisional, continuation, continuation-in-part, reissues or extensions of said applications and Letters Patent, (c) the right to claim priority for any of said applications the full benefits and priority under the International Convention and any other international agreement to which the United States adheres; and (d) the right to claim any damages accrued under said Letters Patent prior to the date of execution of this agreement, such right, title and interest to be held and enjoyed by Assignee for its own use as fully and entirely as the same would have been held and enjoyed by Assignor had this assignment not been made.

ASSIGNOR HEREBY AUTHORIZES the Commissioner of Patents and Trademarks of the United States of America to transfer the portion of the title indicated to the above United States Patent Application to said Assignee in accordance herewith.

ASSIGNOR HEREBY REPRESENTS AND WARRANTS that Assignor has the full power to sell, assign, and transfer the interests sold, assigned, and transferred herein, and also that such assigned rights are not encumbered by any grant, license, or other right theretofore given.

ASSIGNOR HEREBY AGREES to execute and deliver to Assignee upon request all lawful documents which may be requested by Assignee, and to furnish Assignee with all facts relating to said invention as may be requested.

ASSIGNOR HEREBY GRANTS to the firm of FOLEY & LARDNER LLP, the power to insert in this Assignment any further identification which may be necessary or desirable to comply with the rules of the U.S. Patent and Trademark Office for recordation of this Assignment.
