ASSIGNMENT

In consideration of our agreement with Quality Care Solutions, Inc., and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, we, Sherwood Chapman, an individual residing in Gilbert, Arizona, and J. Mikel Echeverria, an individual residing in PHOENIX, ARIZONA, hereby assign, transfer, and deliver to Quality Care Solutions, Inc., a Nevada corporation having a principal place of business located at 5030 East Sunrise Drive, Phoenix, Arizona, 85044, its successors and assigns (collectively referred to herein as "ASSIGNEE") all of our right, title and interest in and to any and all subject matter of the invention disclosed in the application for United States patent titled

METHOD OF ADJUDICATING MEDICAL CLAIMS

filed in the U.S. Patent and Trademark Office herewith, and in and to the said application, all continuations, continuations in part and divisions thereof, and the exclusive right to make application for patents, reissues, renewals and extensions thereof, and in and to all patents and all Convention and Treaty rights of all kinds, in the United States of America and all other countries throughout the world, for all such subject matter. We request the applicable official having authority to issue patents or corresponding rights to issue same on the subject matter of the said invention to ASSIGNEE and, if called upon by ASSIGNEE or its legal representatives, we agree to promptly sign all documents necessary to secure all such patents and rights and for issuance of same to ASSIGNEE.

We confirm that we have not made any agreement in conflict with this Assignment. We further agree that we will provide information within our knowledge or belief, and do all other relevant things that ASSIGNEE or its legal representatives deem necessary or desirable and requests of us in connection with obtaining or maintaining, or in connection with any proceeding, controversy or litigation pertaining to, any such patents, or in order to perfect and/or enforce ASSIGNEE's ownership of the right, title and interest conveyed by this Assignment, or in connection with this Assignment, without payment of consideration to us beyond that called for in our written agreement with ASSIGNEE on the understanding, however, that ASSIGNEE will bear all reasonable expenses actually incurred for or in connection with such matters. This Assignment and the obligations assumed by us shall be binding on our heirs and personal representatives.
