## TERMINATION OF SECURITY INTEREST IN PATENTS

This **TERMINATION OF SECURITY INTEREST IN PATENTS**, dated as of September 16, 2011, is made by Bank of America, N.A., as Collateral Agent (the "Secured Party").

**WHEREAS**, Greenheck Fan Corporation (the "Grantor") has granted a security interest in certain personal property to the Secured Party, including without limitation a security interest in certain patents, patent applications, and/or patent licenses ("Patents");

**WHEREAS**, the security interest granted to the Secured Party was recorded at the United States Patent and Trademark Office on October 9, 2007 at Reel 019930 and Frame 0208; and

**WHEREAS**, the Secured Party has agreed to terminate and release its security interest in all of such Patents, including, without limitation, the Patents identified on Schedule A attached hereto.

**NOW, THEREFORE**, for valuable consideration, the Secured Party hereby terminates and releases all mortgages, liens, and security interests granted to the Secured Party in the following Patents:

1. all of the Grantor's Patents to which the Grantor is a party including those referred to on Schedule A attached hereto;
2. all reissues, continuations or extensions of the foregoing; and
3. all products and proceeds of the foregoing, including, without limitation, any claim by the Grantor against third parties for past, present or future infringement of any Patent.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

**IN WITNESS WHEREOF**, the Secured Party has caused this Termination of Security Interest in Patents to be duly executed as of the date first set forth above.

Secured Party:
