Assignment of 50% Interest in Invention

For good and valuable consideration, the receipt of which is hereby acknowledged, SandenVendo America, Inc., a Delaware corporation, with offices in Dallas, Texas (hereafter "Assignor") does hereby assign, sell and transfer to The Green Drinks Company Limited, incorporated and registered in England and Wales (company number 05088162) with offices at Spracklen House, Dukes Place, Marlow, Buckinghamshire, SL7 2QH, United Kingdom (TGDC) (hereafter "Assignee"), and the successors, assigns and legal representatives of the Assignee, fifty percent (50%) of all worldwide rights, title and interest, including the rights to claim priority, in and to the invention entitled "Methods for Monitoring and Managing Delivery of Syrup in Bag-in-Box Systems" which is the subject of U.S. Patent Application Serial No. 12/887,844 (U.S. Patent Application Publication No. 2011/0071772 A1) filed on September 22, 2010, and any legal equivalent thereof in any country, including the right to claim priority, and in and to, all Letters Patent to be obtained for said invention by the above application or any continuation, division, renewal, or substitute thereof, and as to letters patent any reissue or re-examination thereof; it being expressly understood that SandenVendo America, Inc. shall retain a fifty percent (50%) interest in said invention.

Assignor covenants that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this assignment.

Assignor further covenants that Assignee will, upon its request, be provided promptly with all pertinent facts and documents relating to said invention and said Letters Patent and legal equivalents as may be known and accessible to Assignor and will testify as to the same in any interference, litigation, or proceeding related thereto and will promptly execute and deliver to Assignee or its legal representatives any and all papers, instruments, affidavits required to apply for, obtain, maintain, issue and enforce said application, said invention and said Letters Patent and said equivalents thereof which may be necessary or desirable to carry out the purposes thereof.

In Witness Whereof, I have hereunto set hand and seal this 22nd day of September, 2011.
