JOINT ASSIGNMENT

WHEREAS, Nathan Christopher Thompson, residing at 9195 Gunbarrel Ridge Rd., Boulder, CO 80301, Matthew Thomas Starr, residing at 1289 Ptarmigan Court, Lafayette, CO 80026, and Michael Gerard Goberis, residing at 1330 Laurel Street, Broomfield, CO 80020 (hereinafter collectively "Assignor") believe they are the inventors of certain new and useful improvements set forth in to the subject matter identified herein as TAPE LIBRARY WITH LOAD COUNT CONFIRMATION (hereinafter "Invention"), for which Assignor has executed on even date herewith an application for United States Letters Patent (hereinafter "Application"); and

WHEREAS, Spectra Logic Corporation, a corporation incorporated in the State of Delaware, and having a principal place of business at 6285 Lookout Road, Boulder Colorado, 80301, (hereinafter "Assignee") is desirous of obtaining Assignor's entire right, title and interest in, to and under said Invention and Application;

NOW, THEREFORE, in consideration of the sum of one dollar (\$1.00) and other good and valuable consideration paid to Assignor, the receipt of which is hereby acknowledged, Assignor has sold, assigned and transferred, and hereby sells, transfers and assigns to Assignee, Assignee's successors, legal representatives or assigns, each Assignor's entire right, title and interest in, to and under the Invention as represented by the Application for patent identified herein, including without limitation all U.S. Applications claiming priority to and/or seeking to protect the Invention of the Application, including any and all, utility applications, design applications and/or plant applications related to provisional applications, divisional applications, continuation applications, continuation-in-part applications, reissue applications, re-examination applications, and all priority rights therein, all Letters Patent which may be granted thereon and all renewals and extensions thereof, all applications for Letters Patent which may be filed thereon in every country or countries other than the United States and all Letters Patent which may be granted thereon by such other country or countries and all renewals and extensions thereof. Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States, and any Official of any other such country or countries whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patent therefor to Assignee, Assignee's successors, legal representatives or assigns as provided by this instrument.

Assignor covenants and warrants that each Assignor has the full right and power to convey the entire interest herein assigned, and that Assignor has not executed and shall not hereafter execute any document in conflict with this assignment or constituting a lien against or right under the subject matter assigned. Assignor further covenants and agrees to communicate to Assignee, Assignee's successors, legal representatives or assigns, any facts known to Assignor respecting said Invention, to testify in any proceedings, to sign all lawful papers, and to execute all applications for patent and other documents and generally to do everything possible to aid Assignee, Assignee's successors, legal representatives or assigns to obtain and enforce any and all Letters Patent for said Invention in all countries.

IN TESTIMONY WHEREOF, we the Assignor hereunto set our hand and seal:
