**ASSIGNMENT**

FOR GOOD AND VALUABLE CONSIDERATION, the receipt, sufficiency, and adequacy of which are hereby acknowledged,

Zachary A. Griggs, of the United States,

hereby SELLS, ASSIGNS, and TRANSFERS to Plamron, LLC, a limited liability company organized under the laws of the state of Alabama, having a place of business located at 1530 Sutherland Place, Homewood, AL 35209, its successors and assigns, the entire right, title and interest throughout the world in their invention in:

**DRUM RUG AND GIG BAG IN ONE**

for which we have executed a United States Non-Provisional patent application on or about the date of this assignment, identified as Attorney Docket No. 202305-301002, at Bradley Arant Boult Cummings LLP, 200 Clinton Ave. West, Suite 900, Huntsville, AL 35801, and all patent applications and patents of every country for said invention, including all provisional, divisional, continuing, substitute, renewal, reissue and all other applications for patent which have been or shall be filed in the United States and all foreign countries on any of such inventions and/or improvements to said invention; and all original and reissued patents which have been or shall be issued in the United States and all foreign countries on said inventions and/or improvements.

I/WE AUTHORIZE AND REQUEST the Commissioner for Patents, or other issuing authority, to issue any and all United States and foreign patents granted for said invention and/or improvements to the above-named assignee, its successors and assigns, or to such nominees as it may designate.

I/WE WARRANT AND COVENANT that no assignment, grant, mortgage, license, or other agreement affecting the rights and property herein conveyed has been or will be made to others by the undersigned, and that the full right to convey the same as herein expressed is possessed by the undersigned.

I/WE COVENANT, when requested, and at the expense of the assignee, to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all papers useful in connection with said United States and foreign applications, including provisional, divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said inventions and/or improvements; execute all rightful oaths, declarations, assignments, powers of attorney, and other useful papers; communicate to the assignee all facts known to the undersigned relating to said invention and/or improvements and the history thereof; and generally do everything possible which the assignee, its successors, assigns, and nominees, shall consider desirable for vesting title to said invention and/or improvements, and for securing, maintaining, and enforcing proper patent protection for said invention and/or improvements.

I/WE AUTHORIZE AND EMPOWER said Assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any application for patent or other form of protection for said inventions filed by it or them, the benefit of the right of priority provided by any convention or treaty, including but not limited to the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from me/us.

I/WE CONSENT that a copy of this assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document which may be required in any country for any purpose and more particularly in proof of the right of said Assignee or nominee to claim the aforesaid benefit of the right of priority provided by any convention or treaty, including but not limited to the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it.

TO BE BINDING on the heirs, assigns, representatives, and successors of the undersigned and extend to the successors, assigns, and nominees of the assignee.

## ASSIGNMENT

FOR GOOD AND VALUABLE CONSIDERATION, the receipt, sufficiency, and adequacy of which are hereby acknowledged,

Wesley McDonald, of the United States,

hereby SELLS, ASSIGNS, and TRANSFERS to Plamron, LLC, a limited liability company organized under the laws of the state of Alabama, having a place of business located at 1530 Sutherland Place, Homewood, AL 35209, its successors and assigns, the entire right, title and interest throughout the world in their invention in:

### DRUM RUG AND GIG BAG IN ONE

for which we have executed a United States Non-Provisional patent application on or about the date of this assignment, identified as Attorney Docket No. 202305-301002, at Bradley Arant Boult Cummings LLP, 200 Clinton Ave. West, Suite 900, Huntsville, AL 35801, and all patent applications and patents of every country for said invention, including all provisional, divisional, continuing, substitute, renewal, reissue and all other applications for patent which have been or shall be filed in the United States and all foreign countries on any of such inventions and/or improvements to said invention; and all original and reissued patents which have been or shall be issued in the United States and all foreign countries on said inventions and/or improvements.

I/WE AUTHORIZE AND REQUEST the Commissioner for Patents, or other issuing authority, to issue any and all United States and foreign patents granted for said invention and/or improvements to the above-named assignee, its successors and assigns, or to such nominees as it may designate.

I/WE WARRANT AND COVENANT that no assignment, grant, mortgage, license, or other agreement affecting the rights and property herein conveyed has been or will be made to others by the undersigned, and that the full right to convey the same as herein expressed is possessed by the undersigned.

I/WE COVENANT, when requested, and at the expense of the assignee, to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all papers useful in connection with said United States and foreign applications, including provisional, divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said inventions and/or improvements; execute all rightful oaths, declarations, assignments, powers of attorney, and other useful papers; communicate to the assignee all facts known to the undersigned relating to said invention and/or improvements and the history thereof; and generally do everything possible which the assignee, its successors, assigns, and nominees, shall consider

desirable for vesting title to said invention and/or improvements, and for securing, maintaining, and enforcing proper patent protection for said invention and/or improvements.

I/WE AUTHORIZE AND EMPOWER said Assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any application for patent or other form of protection for said inventions filed by it or them, the benefit of the right of priority provided by any convention or treaty, including but not limited to the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from me/us.

I/WE CONSENT that a copy of this assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document which may be required in any country for any purpose and more particularly in proof of the right of said Assignee or nominee to claim the aforesaid benefit of the right of priority provided by any convention or treaty, including but not limited to the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it.

TO BE BINDING on the heirs, assigns, representatives, and successors of the undersigned and extend to the successors, assigns, and nominees of the assignee.
