Filing Date: 3-29-2010

Title: Method for Making Arrangement for Energy Conditioning

DECLARATION OF ASSIGNEE TO CORRECT ASSIGNMENT

I, William M. Anthony, declare as follows:

1. I am Intellectual Property Director of assignee X2Y Attenuators, LLC ("Assignee").
2. An assignment previously filed and recorded in application No. 12/749,040, now U.S. Patent 7,920,367, contains a typographical error listing the filing date of the application as April 14, 2010 rather than March 29, 2010. The filing date error is obvious because the title of the invention, the application number and the names of the inventors are accurately stated in the assignment.
3. Pursuant to MPEP 323.01(b), Assignee hereby requests correction of the typographical error in the filing date. Filed with this declaration is a copy of the executed assignment which was filed on June 15, 2010 and recorded at Reel /Frame 024536/0188, along with a now corrected version of the same executed assignment with the April 14, 2010 filing date stricken out and replaced with the correct March 29, 2010 filing date.

I declare under penalty of perjury that the foregoing is true and correct.
