ASSIGNMENT

Serial No.: 09/724,137

Filed: 11/28/00

For good and valuable consideration in hand paid, the receipt and sufficiency thereof are hereby acknowledged, the undersigned hereby assign to Trailmobile Trailer LLC, a corporation of the State of Delaware, with a place of business at 1101 Skokie Boulevard, Suite 350, Northbrook, Illinois 60062-4124, its successors and assigns, the entire right, title and interest in the invention or improvements of the undersigned for the THIN SECTION SIDEWALL ASSEMBLIES FOR VANS AND TRAILERS disclosed in provisional application filed in the United States Patent and Trademark Office on April 6, 2000 under Serial No. 60/195,036 in accordance with 37 CFR § 1.53(b)(2) and in said provisional application and for the THIN SECTION SIDEWALL ASSEMBLIES FOR VANS AND TRAILERS disclosed in non-provisional application for Letters Patent of the United States identified as 20018-TM in the offices of Myers & Associates, Ltd., 28 E. Jackson Blvd., Suite 423, Chicago, IL 60604 and any and all other applications, both United States and foreign, which the undersigned may file, either solely or jointly with others, on said invention or improvements, and in any and all Letters Patent of the United States and foreign countries, which may be obtained on any of said applications, and in any reissue or extension of such patents.

The undersigned hereby authorize and request the Commissioner of Patents to issue said any and all Letters Patent to said assignee.

The undersigned hereby authorize and request the attorneys of record to insert in this assignment the filing date and serial number of said non-provisional application when officially known.

The undersigned warrant themselves to be owners of the entire right, title and interest in said invention or improvements and to have the right to make this assignment, and further warrant that there are no outstanding prior assignments, licenses, or other encumbrances on the interest herein assigned.

For said considerations the undersigned hereby agree, upon the request and at the expense of said assignee, its successors and assigns, to execute any and all applications under 37 CFR § 1.53(b)(2) relating to said provisional application and any and all divisional, continuation and substitute applications for said invention or improvements, and any necessary oath or affidavit relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted upon said application, and any and all applications and other documents for Letters Patent in foreign countries on said invention or improvements, that said assignee, its successors or assigns may deem necessary or expedient, and for the said consideration the undersigned further

agree, upon the request of said assignee, its successors and assigns, to cooperate to the best of the ability of the undersigned with said assignee, its successors and assigns, in any proceedings or transactions involving such applications or patents, including the preparation and execution of preliminary statements, giving and producing evidence, and performing any and all other acts necessary to obtain said Letters Patents, both United States and foreign, and vest all rights therein hereby conveyed in the assignee, its successors and assigns, whereby said Letters Patents will be held and enjoyed by the said assignee, its successors and assigns, to the full end of the term for which said Letters Patent will be granted, as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment had not been made.
