ASSIGNMENT

WHEREAS, I:

Christoph Niederberger
Horbургstrasse 70
Basel, Switzerland 4057
(hereinafter „Assignor“)

have co-invented certain new and useful improvements for **IMAGE PROCESSING METHOD AND DEVICE FOR INSTANT REPLAY**, which are currently the subject matter for European Patent Application No. 10 405 145.3, which was filed on July 29, 2010, and for which one or more applications for Letters Patent of the United States have been filed or will be filed, claiming the benefit of the aforementioned European patent application under the Paris Convention.

Whereas, **LiberoVision AG**, whose address is Technoparkstrasse 1, Zürich, Switzerland 8005, hereinafter referred to the “Assignee”, is desirous of acquiring the entire right, title, and interest in and to said inventions, said patent applications, and in, to, and under any and all Letters Patent to be obtained therefore.

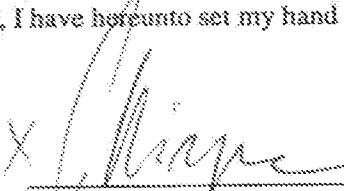

Now, therefore, for ONE US DOLLAR (\$) and other good and valuable consideration from the Assignee, the receipt of which is hereby acknowledged by me, I have sold, assigned, and transferred, and by these presents do hereby sell, assign and transfer unto the said Assignee, its successors, and its assigns, my entire right, title, and interest in and to said inventions, said patent applications, all divisions, continuations, continuations-in-part, reissues, or renewals thereof, and the Letters Patent, both foreign and domestic, that may or shall issue therefrom, including all reissues or extensions of such patents and including all of my rights under the International Convention (collectively “the Patent Rights”), and I do hereby authorize and request the Commissioner of Patents to issue said Letters Patent to the above-mentioned Assignee in accordance herewith.

I further authorize said Assignee, its successors, and its assigns, or anyone the Assignee may properly designate, to apply for Letters Patents, in the Assignee’s own name if desired, in any and all foreign countries, and additionally to claim the filing date of said United States application and/or otherwise take advantage of the provisions of the International Convention, as applicable.

I represent and warrant that I have the right and authority to execute this Assignment and to convey all my right, title, and interest in the Patent Rights, and that I have not conveyed nor will convey hereafter all or part of the Patent Rights therein to a third party; and I do hereby covenant and agree with the said Assignee, its successors, and its assigns, that I will not execute in writing or do any act whatsoever conflicting with these presents, and that I or my executors or administrators will at any time upon request, without further or additional consideration, but at the expense of the said Assignee, its successors, and its assigns, execute such additional writings and do such additional acts as said Assignee, its successors, and its assigns, may deem necessary

or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, continuation, continuation-in-part, divisional, reissued, or extended Letters Patent of the United States, or of any and all foreign countries on said invention, and in enforcing any rights occurring as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents.

In Witness Whereof, I have hereunto set my hand and affixed my seal on the date indicated below.

ASSIGNMENT

WHEREAS, I:

Stephan Wuermlin Stadler
Ellen-Widmann-Weg 4
Zürich, Switzerland 8050
(hereinafter "Assignor")

have co-invented certain new and useful improvements for **IMAGE PROCESSING METHOD AND DEVICE FOR INSTANT REPLAY**, which are currently the subject matter for European Patent Application No. 10 405 145.3, which was filed on July 29, 2010, and for which one or more applications for Letters Patent of the United States have been filed or will be filed, claiming the benefit of the aforementioned European patent application under the Paris Convention.

Whereas, LiberoVision AG, whose address is Technoparkstrasse 1, Zürich, Switzerland 8005, hereinafter referred to the "Assignee", is desirous of acquiring the entire right, title, and interest in and to said inventions, said patent applications, and in, to, and under any and all Letters Patent to be obtained therefore.

Now, therefore, for ONE US DOLLAR (\$1) and other good and valuable consideration from the Assignee, the receipt of which is hereby acknowledged by me, I have sold, assigned, and transferred, and by these presents do hereby sell, assign and transfer unto the said Assignee, its successors, and its assigns, my entire right, title, and interest in and to said inventions, said patent applications, all divisions, continuations, continuations-in-part, reissues, or renewals thereof, and the Letters Patent, both foreign and domestic, that may or shall issue therefrom, including all reissues or extensions of such patents and including all of my rights under the International Convention (collectively "the Patent Rights"), and I do hereby authorize and request the Commissioner of Patents to issue said Letters Patent to the above-mentioned Assignee in accordance herewith.

I further authorize said Assignee, its successors, and its assigns, or anyone the Assignee may properly designate, to apply for Letters Patents, in the Assignee's own name if desired, in any and all foreign countries, and additionally to claim the filing date of said United States application and/or otherwise take advantage of the provisions of the International Convention, as applicable.

I represent and warrant that I have the right and authority to execute this Assignment and to convey all my right, title, and interest in the Patent Rights, and that I have not conveyed nor will convey hereafter all or part of the Patent Rights therein to a third party; and I do hereby covenant and agree with the said Assignee, its successors, and its assigns, that I will not execute in writing or do any act whatsoever conflicting with these presents, and that I or my executors or administrators will at any time upon request, without further or additional consideration, but at the expense of the said Assignee, its successors, and its assigns, execute such additional writings and do such additional acts as said Assignee, its successors, and its assigns, may deem necessary

or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, continuation, continuation-in-part, divisional, reissued, or extended Letters Patent of the United States, or of any and all foreign countries on said invention, and in enforcing any rights occurring as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents.

In Witness Whereof, I have hereunto set my hand and affixed my seal on the date indicated below.
